There are some moments in our lives that we all want to forget . . . but there are just as many, or more, that we will never forget . . . these are very special moments.

Some of the treasured moments of the 1984-85 school year include Homecoming, where Shawn Mignogna was crowned Queen; football, where leadership on the field is the characteristic of all players; National Honor Society, where B.H.S. honors the top students in the junior and senior classes; sound Stage VI, the spring show production where B.H.S. students demonstrated more than a touch of class; and finally graduation, where we bid seniors a fond farewell and wish them continuing successes in all their endeavors.

Alma Mater

Within Glynn's Marshes proudly stands,
Beneath the blue—on golden sands.
Our beloved Brunswick High
For whom devotion cannot die.
Thy traditions we shall bear,
With glowing honor, pride, and care.
Ever cherished we shall hold,
The glory of the blue and gold.

The Pirates' emblem shall convey,
The might with which we work and play,
And ever sacred we shall keep
The lessons, victories, and defeats:
Brunswick High School, we salute
As we now pay a proud tribute,
Ever cherished we shall hold,
The glory of the blue and gold.

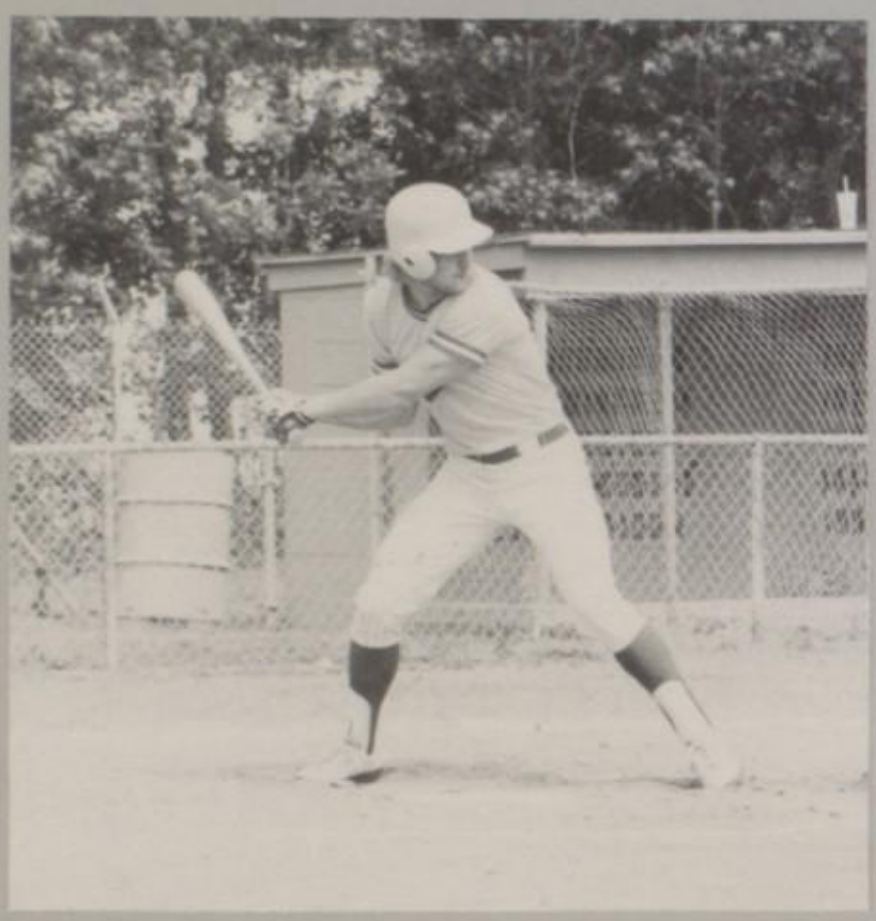
Court of Order



The Pirates at Brunswick High are very aware of the importance of keeping physically fit. The majority of these students stay in good shape by participating on one of our athletic teams. Brunswick High has many different outlets for almost any sports interest. The students take much pride in representing their school. Perhaps that is the reason so many students participate in sports. Through the years our teams have made us proud by excelling at what they do. The honors and recognition they have received stem from a devoted coaching staff. We are honored to have so many dedicated pupils as part of the Pirate sporting crew.

Diamonds Are a Girl's Best Friend

The Lady Pirates of Brunswick High established a name for themselves with another spectacular season during their fourth year at BHS. Under the direction of Coach Cindy Floyd, the team completed the season with a stunning record of 10-5. Highlights of the season included a region game, where Coach Floyd and her Pirates sailed to victory over Glynn Academy in a close match of 7-6. Other wins for the team consisted of two victories over McIntosh Academy, 8-7 and 16-2; an out-of-town game with Effingham, in which BHS won with a score of 5-1; the shut-out with Johnson, 7-0; and other victories over Jenkins, Windsor Forest, Tompkins, Beach, and Savannah. Overall, it was truly a winning season for the Lady Pirates—the region being no exception with a record of 8-3.

We wish we could be out there.

Go for the Gold

A sport that requires versatility and endurance is track. Participating in meets against region competitors, the Brunswick High School boys' track team completed a very successful season coached by Joe Jachimowicz. In 1984 Eddie Ayers broke the all-time BHS record for the two-mile run. Such an accomplishment depicted the goals reached in BHS track. The days of practice and work paid off as the track team made new milestones in Pirate history. Congratulations are in order to every member of the team and especially to Eddie Ayers.

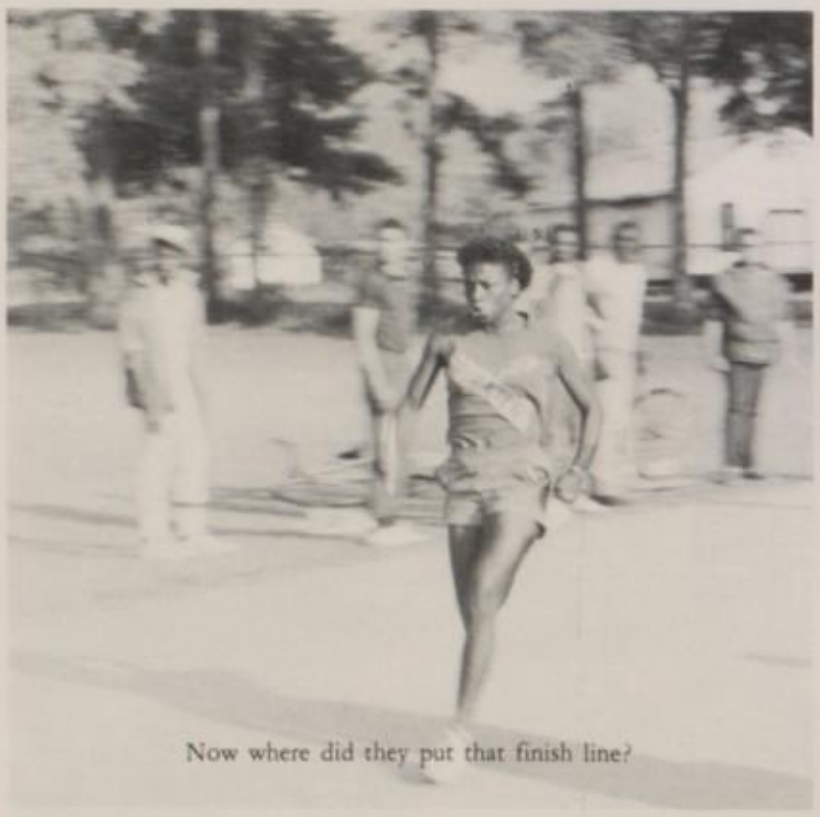
Chariots of Fire

Timber!

Footloose

The Brunswick High Girls' Track team had a very competitive year. In its fourth year at B.H.S., the team had three young athletes who made it all the way to state. Valerie Ryals, Pam Howard, and Mary Lattany were our outstanding representatives. Because of their performances, Pam Howard and Mary Lattany were awarded letterman jackets. Receiving a letterman to wear on her jacket, Valerie Ryals accumulated more recognition.

We give a Pirate salute to the B.H.S. Girls' Track team of 1984. We hope the Pirate spirit will continue to show throughout the oncoming season.



Now where did they put that finish line?

I'll do anything for an audience.

Pirate strength!

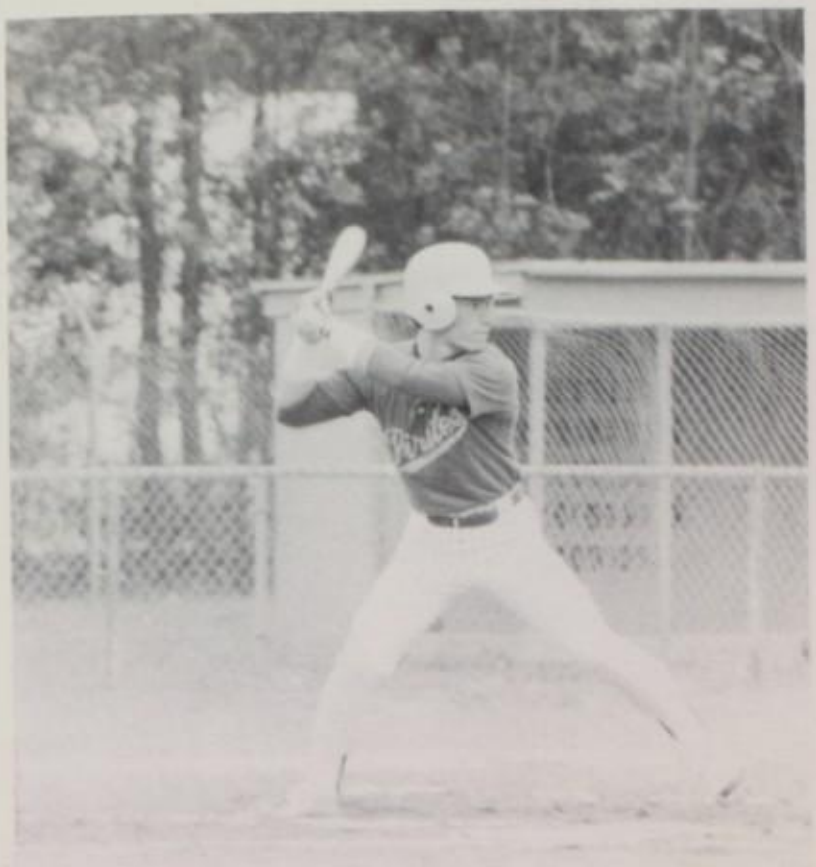
Let's Have A Ball

The Junior Varsity Baseball Team had a good season this past year. They completed the year with a win of six games to a loss of only four. Scott Palmer, who was named Most Valuable Player, accumulated a .400 batting average. Lee Bullard was second with an outstanding average of .320. Billy Nicholson smashed an over-the-fence homerun and Henry Andrews knocked an inside-the-park homerun. Jimmy Shattuck and Billy Nicholson gave exceptional performances in pitching. In one game Shattuck struck out sixteen batters. Congratulations to Coach Brown and his team.



Lee's ready for the majors.

Watch out, Pascuel

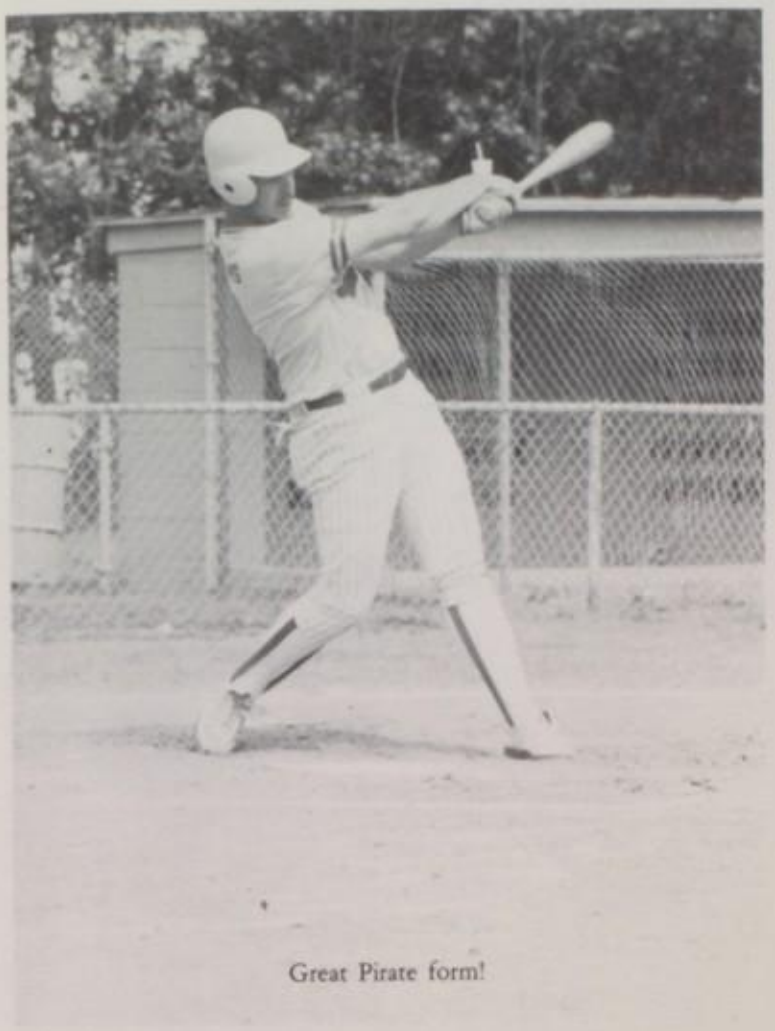
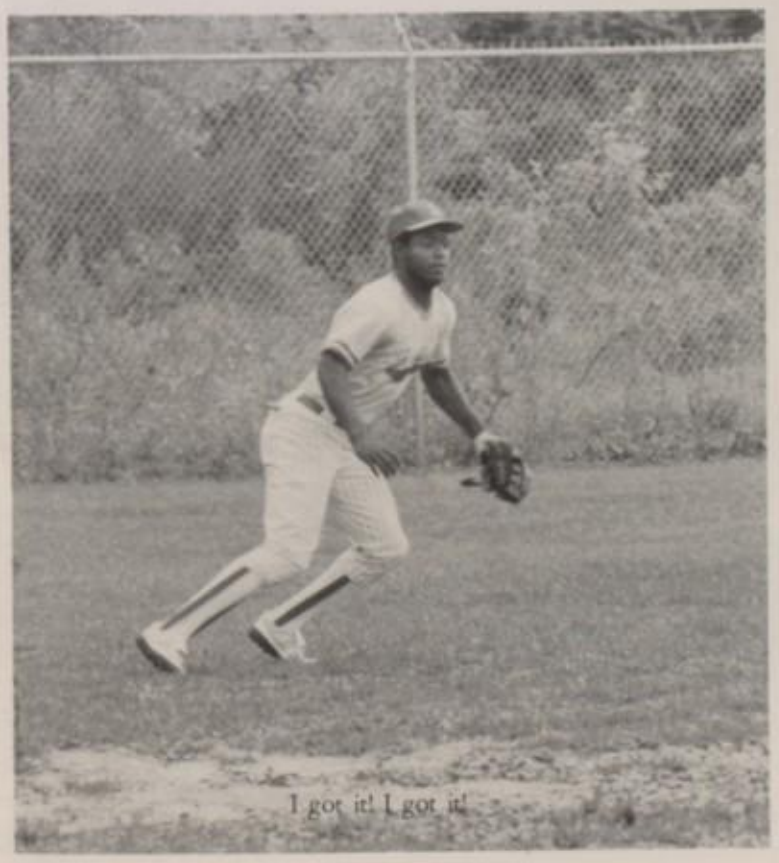
Striving For The Pennant

The B.H.S. Varsity Baseball team had a fulfilling but discouraging year. The season got off to a great start with an early victory of five games and a loss of only two. Sophomore outfielder Alvin Allen led Brunswick High's Pirates in hitting during the recently completed 1984 baseball season with a sparkling .337 average. Senior first baseman-pitcher David Miller followed with a .319 batting mark and Senior first baseman Derek Adams, who set the modern-day Glynn County batting record last spring with a .508 average, also batted over .300 with his .302 showing. Chris Gray, junior catcher, came in with .278 and soon after third baseman Delmus Smith at .276. Alvin Allen had the most hits for B.H.S., 20, while David Miller was tops in RBI's with 20. The Pirates finished the season with 7-10 overall. Although our team is losing four seniors, we should be expecting many surprises from the upcoming members of the J.V. team.



Great Pirate form!



I got it! I got it!

A home run!

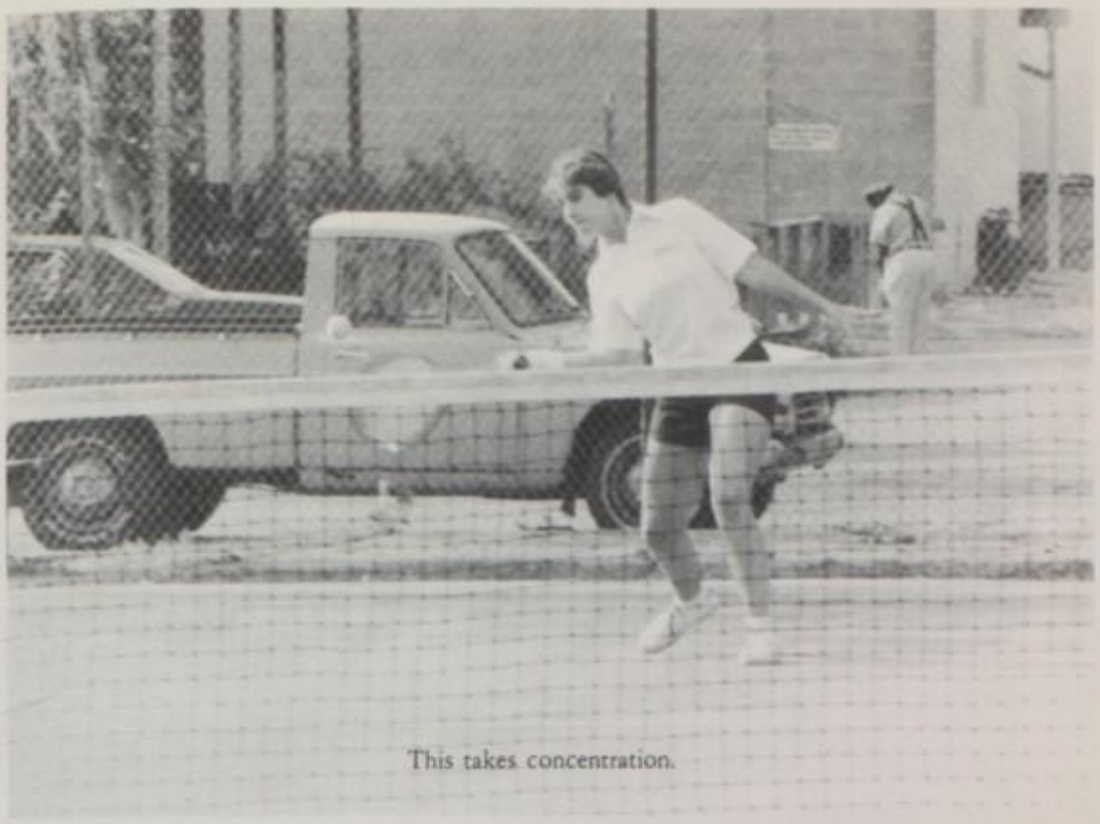
FRONT ROW: Beth Koonse, Lynn Herrin, Kelly Felton. BACK ROW: Linda Ribron, Stephanie Brown, Lory Bazzle, Tasha Whitfield, Coach Nutgrass.

Girls Luv Tennis

The Brunswick High Girls' Tennis Team can be praised for another wonderful season on the tennis court. The Lady Pirates fought heavy competition from rival schools throughout the state with tremendous effort under the supervision of Coach Barbara Rodriques.

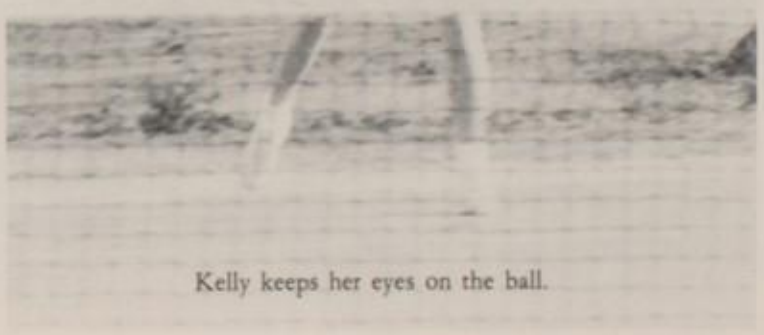
Lynn Herrin received special recognition as Brunswick High's number-one player. Beth Koonse also had an exceptional season as our number-two player.

Overall, the entire team was able to participate in region competition, which was held at Bacon Park in Savannah. With the wrap-up of the season, the BHS Girls' Team finished with a record of 3-5.



This takes concentration.

I hope it crosses the net.



Kelly keeps her eyes on the ball.

Tennis Is Our Racquet

The hard work and long hours out on the courts seem to have paid off for the boys' tennis team. The effort put forth by the team led them to a 4-5 season. Under the direction of Bill Nutgrass, the team went on to finish fourth in the region. Although the entire team performed well, special recognition should go to Kevin Asbell, Stewart Haskins, and Willard Norris who ranked as the top three players, respectively.

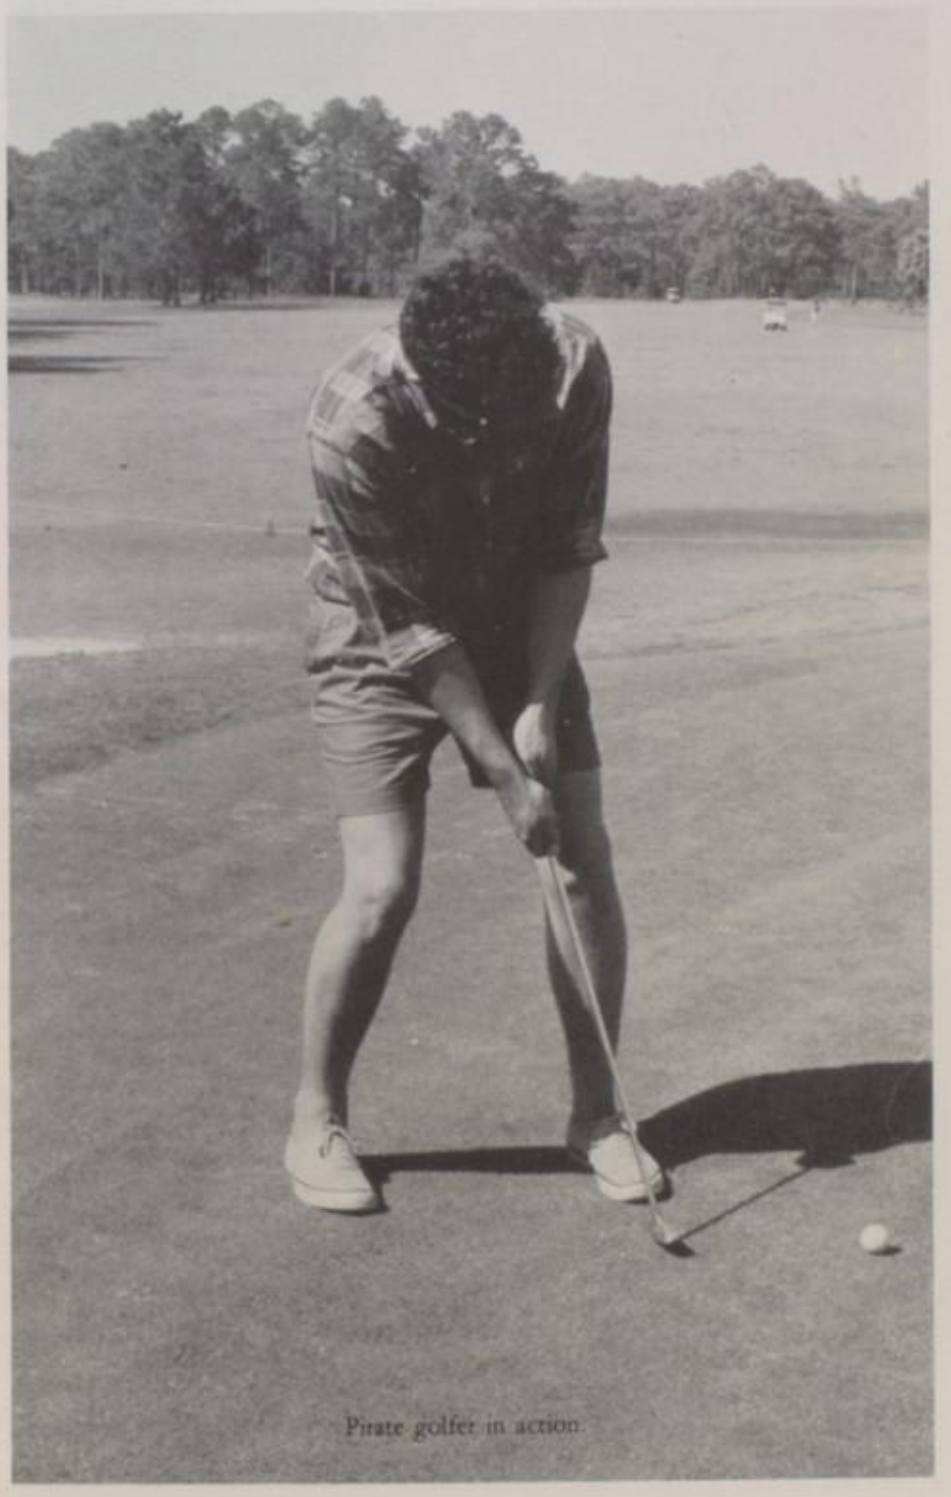
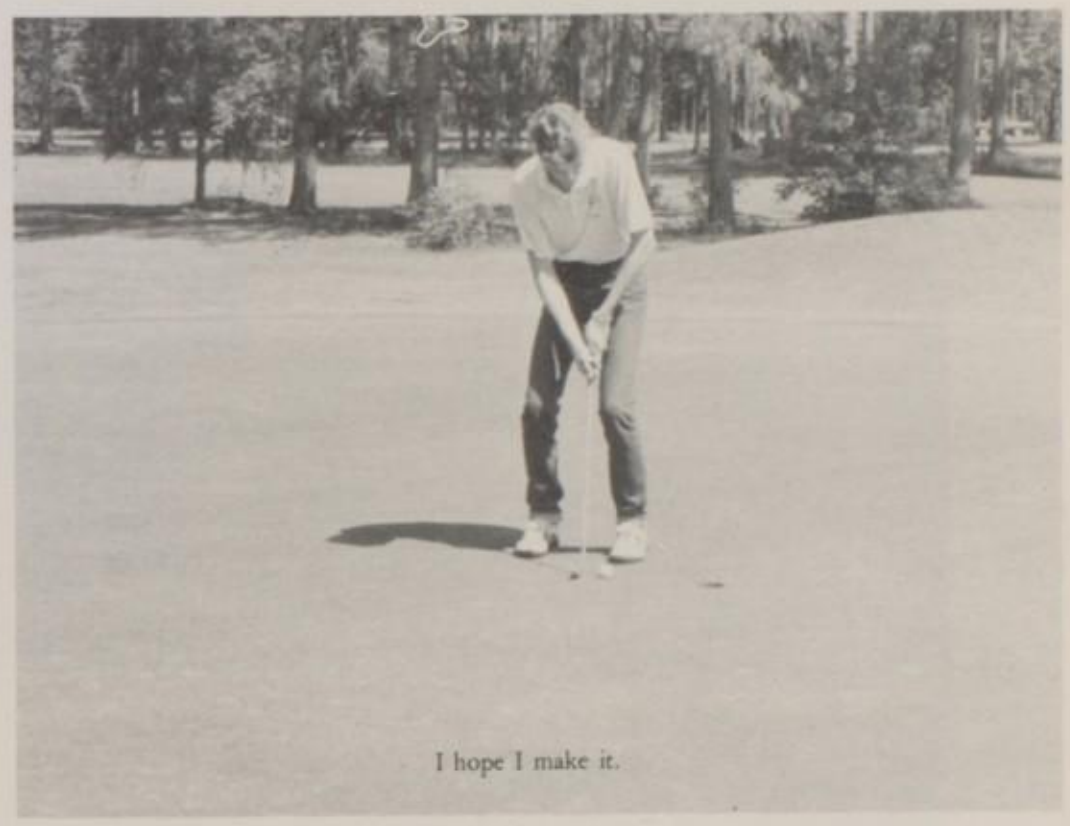
Kelly's Krew

The 1984-85 Brunswick High Golf Team completed a successful season this year under the direction of Coach Harry Kelly. Honors by the team included a victory over Swainsboro and finishing fourth out of the twelve teams in the region. The two top players named for the season included Kevin Willis and Dean Rogers, whose scores were definitely up to par. Other players on the team were Jamie Harrison, Gary Zell, Brian Callahan, Jim Miller, John Hoogacker and Ronnie Joiner.

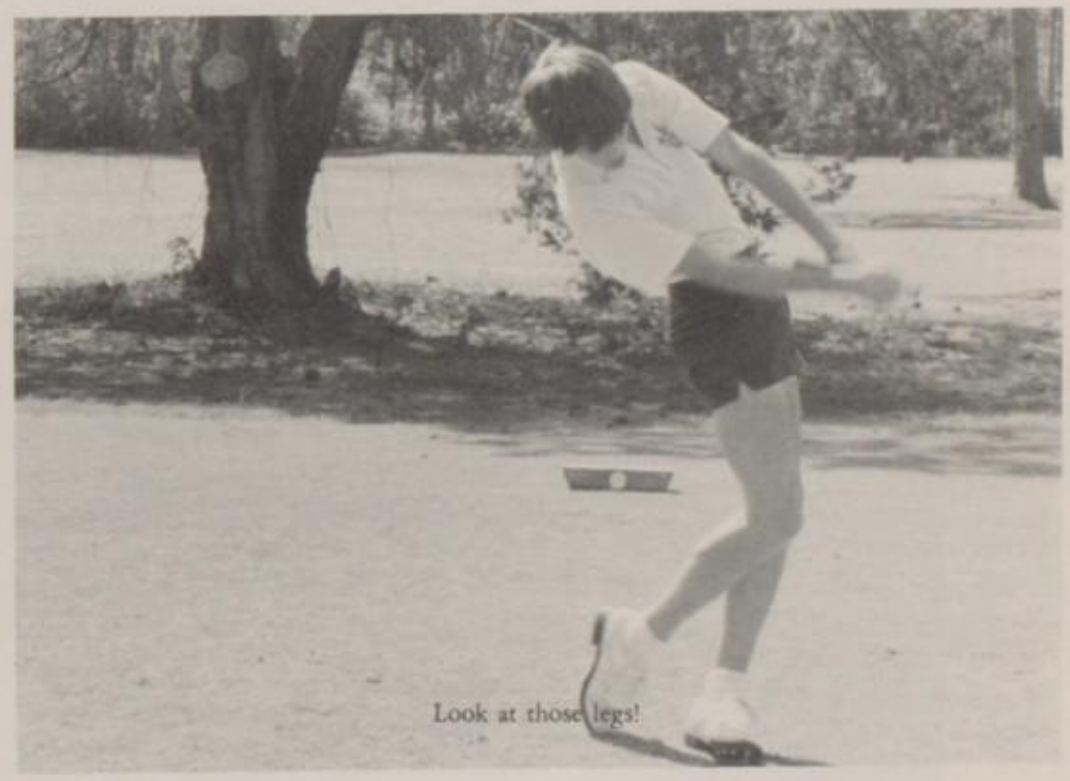
With the wrap-up of the season, the Pirates once again achieved victory and look forward to another successful season. Although the team will be losing some of its top players after graduation, the BHS Pirates always manage to come through with flying colors.



Pirate golfer in action.



I hope I make it.

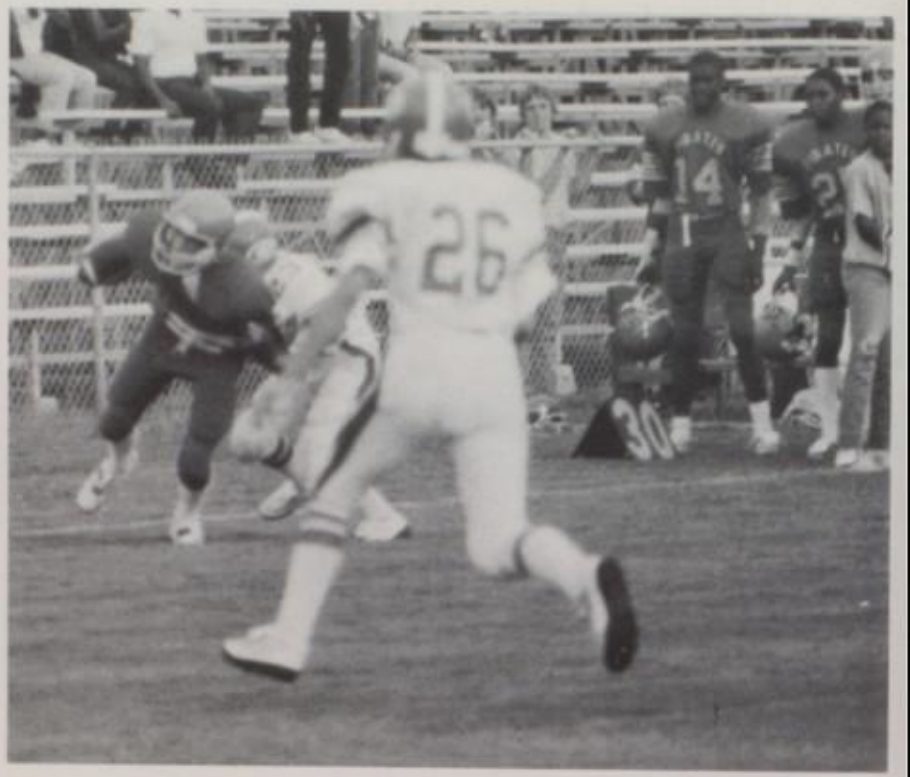


Look at those legs!

Hard Times

JV Football

The Junior Varsity Team had a very competitive season. The year, ending with a 2-3-1 record had its ups and downs but the spirit and sportsmanship of the game were still present. Looking forward to their varsity year, they will use their experience to achieve a winning season. The team is headed by Coach Jimmy Brown.



Front Row: Mike Gibson, Terry Dowling, Billy Nicholson, Vern Shaw, Jeff Shell, Kim Daniels, Eddie Singleton, Gerald Hall, Luke Jackson, Row Two: Landon Derby, Chris Singleton, Ernest Fuller, Randy James, Ricky Collins, Brian Carter, David McWilliams, Neil Spence, Stacy Gray, Jimmy Shaddock, Back Row: Larry Roberts, Gerald Smith, Richard Taylor, Kevin Roberts, Derek Anderson, Greg Lewis, Nathaniel Jackson, Thomas Scott, Bernard Bens, Berien Gibson, Carlos Wells

A Fresh Start

Ninth Grade Football

The Freshmen Football Team sparked off this year with a winning 4-3 season. These young Pirates showed great athletic potential and a strong desire to win. We are proud to possess these future city champions. These players are headed by Coach O.C. Baker. Congratulations on a winning season.

Front Row: Terrence Weston, David Bradley, Buck McCormick, Oscar Mangram, Brandy Jones, Jeff Johnson, Shannon Flowers, Curtis Reed, Brett Clayton, Shawn Harrison. CITY CHAMPS

Varsity Football

The City Championship—we now have the trophy where it belongs. Although we did not reach our pre-set goals, the dedication and spirit were there to take pride in. The players showed great enthusiasm. Two of our outstanding offensive players were Sharell Perry and Shennan Foster. Sharell ran for more yards this season than any other running back at Brunswick High School. Shennan caught many long-yard passes. Both of these players are seniors. The defensive standouts were Earl Brown and Jay Wiggins. Earl Brown, a junior, had the most solo tackles on the team. Jay Wiggins, also a junior, stopped many big-yard gains on the run this season. As the year closes, Coach Willis would like to especially thank the cheerleaders, the Student Council, and the faculty for their co-operation. The coaches take pride in their players. They take pride in the best. The season ended with an overall 6-4 record.

Varsity Cheerleaders

The Varsity Cheerleaders can always be counted on to perform excellent routines at pep rallies and football and basketball games. They attend practices which help them perfect their stunts and cheers. Although there were only two pep rallies this year, the Varsity Cheerleaders helped to make them the best. We appreciate the efforts put forth by this hard-working spirited squad. They definitely let their Pirate Pride shine forth.

Junior Varsity Cheerleaders

These young, energetic Pirates have an important roll in Junior Varsity sports. They are responsible for pepping up audiences at JV football and basketball games and showing their support. With their many practice sessions behind them, they are known for their excellent sideline shows. The encouraging shouts of the cheerleaders give the members of the sports teams extra incentive to do their best. Let's commend these girls for their strong showing of Pirate Pride.

The Score

Varsity Boys

The Pirates showed another great skill in basketball. The Varsity Boys practiced many long hard hours to perfect these skills. There was only one starter returning from the '83 team, Micah Fulks. He was an outstanding player and averaged 17.2 points per game. William Coleman, the top rebounder, averaged 17.3 rebounds per game. Overall the team showed great potential and patience and Coach Frazier did an excellent job coaching the boys.

Kneeling: Chris Jones, Coach Frazier, Micah Fulks. Standing: Rodney Pinkney, Sharell Perry, Alvin Allen, William Coleman, Joe Hicks, Bernard Johnson, Kevin Philson, Harry Mitchell, Tony Quimby, Van Box, Craig Campbell, Elliott Williams, William Alford, Tewane Perry.

The Basketball Net-Work

JV Boys

The Boys' Junior Varsity Basketball Team with a season record of seven wins and six losses did not achieve its original goals. However the team had a great winning potential which slowly, yet surely showed, commented coach O.C. Baker. The team, led offensively by Joe Hicks, defensively by Kevin Philson with some exceptional plays by Joe Adams and James Sapp, had an overall good season.

Front row: Joe Adams, Joffre Gilliard, Terrance Thomas, Dennis Frazier, Lance McLain. Row Two: Narvell Stallworth, Vern Shaw, Willie Matthews, Mickey Stallworth, Joe Hicks. Row Three: Coach Baker, Chuck Dixon, James Sapp, Kevin Philson, Eddie Singleton, Driscoll Edwards, Dewayne Alford.

The Way the Ball Bounces

Varsity Girls

The 1984-1985 BHS Varsity Girls Basketball team was headed by a new coach, Ms. Floyd. The two outstanding players, both seniors, were Camilla Turner and Beryl Hankerson. Camilla had the most points and the most steals this year. She averaged 13 points per game and averaged 6 rebounds per game. Beryl led the team in rebounds and had the best free-throw percentage. Our Varsity Girls deserve much credit for their excellent playing abilities and the hard work they put into making BHS proud of them. The girls practiced almost every day of the week and it showed in the games.

Up in the Air

JV Girls

The JV Girls Basketball Team had an arduous year. With an overall record of four wins and four losses, those young players performed tremendously. This team, led offensively by Althea Turner, who had an average of 12 points per game, advanced steadily in their performances. The defensive player and high rebounder for the season was Nicole Ryals. The team was coached by Ms. Singleton.

Front Row: Lawan Cummings, Jinny Cooper, Althea Turner, Yardice Jones. Row Two: Duan Thomas, Trenetta Allen, Nicole Butler, Nicole Clark, LeDawn Clinch. Row Three: Coach Singleton, Cheryl Montgomery, Tess Johnson, Rhonda Thompson, Jennifer Smith.

Interludes

After a long hard day full of bookwork and tests, the students at Brunswick high deserve a break. And what a better place to go but to a club meeting?

Students enjoy these assemblies for different reasons. Some see it as a time to see their friends. Others like the excitement of planning parties and field trips. But the clubs go beyond fun and games. They perform services for the community such as Toys for Tots and visiting nursing homes. Services for schoolmates are also on the agenda. We appreciate the work these clubs perform. We thank them and their sponsors for all they do.

Organizations

Band

"Ghostbusters" is one of the Brunswick High School Band's newly acquired titles. The band's half-time shows seemed almost magical with the animation of the popular movie to the twirling of fire batons and even an old-fashioned cane-and-hat routine performed by the majorettes. But half-time shows are only one of the band's many performing talents.

The band, under the direction of Denzil Sellers, has also been selected to perform with the University of Georgia Redocat Band for a pre-game show along with twenty-nine other high school bands. Besides marching, the band somehow manages to play for pep rallies and for NJROTC inspections. But the performances are not always so flashy and fun.

In the spring the band settles down to compete in the Eighth District Festival. The band has been rated "superior" and "excellent" and in order to maintain this prestige many hours of work must be endured.

Show Choir

The Brunswick High School Show Choir is a widely known and publicized group. Under the direction of Ms Elam, these privately auditioned singers and dancers endure long practices and strive to perfect each performance.

During the course of the 1984-85 school year, these students have performed at places such as the St. Simons Island Lighthouse, the Brunswick Exchange Club, and Savannah's Oglethorpe Mall.

The highlight of the year, however, comes at the annual spring show. Each performance students earnestly try to present a better show.

For the year 1984, the Show Choir performed with the dazzling colors of "Sound Stage VI." This year's show "American Soundtrax" promises to be as spectacular and eventful as ever.

Theater Workshop

Building Blocks

A great deal of thanks should be given to the members of the Theater Workshop at Brunswick High. Because of this organization, the spring choral production is able to run much more smoothly. Theater Workshop is responsible for the show's publicity as well as the designing and building of props and backdrops. This group also budgets the funds and transports the sound equipment. Much hard work goes into the production of a spring show and Theater Workshop is to be commended for their contributions.

Drama Club

Playing It Off

BHS is proud to welcome back the Drama Club, after their departure two years ago. The club is renewed and thriving. This organization is an advantage for students who would like to pursue a career in acting. It helps them prepare for the feeling of the theater, filled with a live and attentive audience. Members of this year's club have already experienced such feelings by performing and competing with other drama students at other schools. The club plans to become more involved with drama by attending live performances at places such as Wilma's Dinner Theater. They will attend movies also in order to study and learn from not only the perfection but the mistakes of famous actors. In doing so, they will find great enjoyment.

We Belong

N.H.S.

The National Honor Society at Brunswick High is recognized as the most prestigious organization at our school. This group inducts upcoming seniors who have the qualifications of leadership, character, and service. However, the club took a new turn when, for the first time, upcoming juniors, too, were inducted. This group offers senior classes a chance of bettering themselves through community as well as school activity. One of the many community service activities performed by the club this year included adopting grandparents. Members of the club visited and brought presents to elderly people who might otherwise have been alone on Christmas.

Student Council

This year, the BHS Student Council has again done a fine job under the leadership of President Kim Brazell and Vice President Kevin Lane. Comprised of students representing each grade level, this organization has sponsored such projects as the Twirp Dance and the annual Blood Drive. Perhaps the most important event this organization sponsors is our Homecoming Dance. Long hours of planning and working are spent towards Homecoming. This year, "Almost Paradise" was chosen as the theme. Many thanks go out to Student Council and their advisor Mrs. Maybury for doing such a fine job.

Red Dawn

Having captured the title of Outstanding Delegation in the 1984 Model UN at Georgia Southern College, the BHS students anticipate another session at GSC with high expectations. Each year students at Brunswick High are chosen to represent a variety of countries in a mini-model United Nations meeting. These students are required to learn the views of their country and write resolutions which depict them. Under the leadership of Wayne Ervin, this club has brought many honors to BHS. He has led this club to the most outstanding delegation title for the past four years.

Protocol

Debate

Brunswick High School had another glorious year in the world of debating. With seniors Stewart Haskins and Chris Gray testing the highly competitive varsity waters, the majority of the burden fell upon the second year debaters, and they more than adequately filled their position. On Brunswick High's initial outing, Delria Tate and William Smith came in at sixth place negative, with Delria placing eighth in speaking. At Mercer University, the next week, the team really matured. Delria and William were fourth place Negative Team, while Chris Moreira and Glenn Fletcher were the first place Affirmative Team. Glenn, Chris, and Delria captured fourth, ninth and tenth place speakers, respectively. The BHS Debate Team then traveled to Lee County where they fared well once again. Delria and William again garnered fourth place Affirmative Team, and Glenn and Chris placed third in the negative division, with a perfect 5-0 record. Ken Head also captured the tenth place speaker award.

The BHS Debate Team then participated in the Parkview Invitational, where for the first time ever, no BHS novice teams were present. Ken Head and Jeff Newbern established a winning junior varsity tradition by posting a 4-2 record, while losing in the quarterfinals. They continued this tradition by making the quarterfinals once again the following weekend in Mary Persona. Glenn Fletcher and Chris Moreira advanced all the way to the semifinal round before losing. Ken Head was ranked as seventh place Junior Varsity Speaker. At the Americus Debate Tournament, BHS proved once again that they were a power to be dealt with. Chris Moreira and Jeff Newbern lost in the Octofinals, while Delria Tate and William Smith advanced to the Quarterfinals before losing. The BHS Debate Team appears primed and ready to regain the Region 3AAAA Debating Trophy once and for all.

Dancing in the Sheets

The Latin Club is definitely one of the most exuberant clubs at Brunswick High School. Each year you can be sure that the club members will enter a float in the Homecoming Parade. The float contains the traditional Trojan Horse. They celebrated Christmas this year with a party. They also sang carols to English classes. Plans are once again in the making for the Spring Orgy, complete with a slave auction, feast, and games. Anticipation is at its peak for this event. Also, as the Ides of March draw near the club members and other Latin students can be seen wearing black armbands, mourning the death of Ceasar. One can plainly see from the events described above, the Latin club knows how to have a good time.

Spanish Club

The Spanish Club at BHS has been highly commended in the past few years for their many accomplishments. The club stays busy with many projects and fund raisers, such as the doughnut sale which they sponsored during the fall quarter. Every year (through much cooperation among members) the club manages to enter a float in the Homecoming Parade. This shows their representation and school spirit.

The club also gives annual receptions for new members of the BHS family who are from "foreign lands". Mrs. Nelson, a new Spanish teacher, and Katarina Nyman, a Swedish exchange student, were both given a warm reception by the club. Senor Jones and members of the group were more than glad to welcome two other visiting exchange students: Maria Antonia Corleto from the country of Guatamala and Carlos Quesada from Costa Rica.

The club looks forward to continuing the tradition in years to come and gives thanks to Jack Chambers and Ginger Tanner for hosting the two visitors.

Annual Staff

The Cutlass Staff begins preparing early in the summer for the annual. Ads must be sold and a theme selected. When school time rolls back around, the hard work really begins. Layouts must be drawn and headlines and copy are written. These among other tasks must be completed by specific deadlines. The staff works diligently to put together the best yearbook possible.

Mrs. Yvonne Parks oversees all of these activities. Her dedication and patience is a most valuable aid in the production of this annual.

A school's yearbook is the best way to help preserve high school memories. Editor Gina Rowell and the entire Cutlass Staff hope their efforts in creating this book will enable you to recall your high school years with pleasure each time you turn a page.

All the Write Moves

Rising Surf began with the founding of Brunswick High in 1967. Its purpose is to provide the school with an outlet for literary talents. The literary magazine consists of poetry, short stories, and art work submitted by BHS students and faculty. The 1984 edition of RISING SURF was awarded second place for outstanding Literary Magazine by the 33rd Southern Regional Press Institute.

The staff sponsored a Creative Writing Contest in November and awarded movie tickets, T-shirts, and money to the winners. Fundraisers for the year included the sale of pom people and stationery and the annual garage sale.

Holding Out for a Hero

Hero is celebrating its 40th year of success this 1984-85 school year. Hero, Standing for Home Economics Related Occupations, has helped serve their school and community through numberous events. Mrs. Pinckney and Mrs. Vaughn join together to form an even more impressive club. Many programs sponsored by Hero were Toys for Tots, Homework helpers for children, activity learning books, and faculty dinners. For the second year in a row, the club received honors of first place on their exhibition at the Brunswick Exchange Club Fair. President, Penny Harris and Vice-President Pamela Holmes are both working for degrees in child development.

A Step in Time

The Brunswick High NJROTC unit is under the direction of Captain Amme and Chief Burcham. The unit is comprised of male and female students who are interested in naval careers. The unit participates in several school activities including all home games for Brunswick High as well as Glynn Academy. Other yearly activities include games for Brunswick High as well as Glynn Academy. Other yearly activities include participation in mini-boot camp in Orlando, and an obstacle course competition in Jacksonville in which they placed third. At the beginning of the school year, three groups were taken in series on one-day field trips to the Naval Station in Mayport, Florida. In September, the merits of the NJROTC program were discussed during a 15-minute talk show broadcast on WMOG.

Court Life

The students at Brunswick High lead varied but very interesting lives. Each Pirate expressed his individualism in his own way. Fashions changed this year considerably. They included anything flourescent, crop pants, twist beads and parachute pants. Many different events highlighted the 1984-85 school year. The Jackson's Victory Tour had the whole school buzzing. Break-dancing and the premiere of Prince's Purple Rain was a big hit at B.H.S. this year. Students also awaited the completion of the Glynn Place Mall. The Pirates also enjoyed listening to their favorite singers. This year they included Chicago, Cyndi Lauper, Madonna, Tina Turner, and Whoudini. The 1984-85 school year will definitely be one to remember.

Student Life

Early preparations were made at the beginning of the year in order to get ready for Homecoming. Excitement sparked among students as the day drew nearer. Finally the long-awaited day arrived and excitement was in the air. School recessed early for the occasion and students were allotted time to show their spirit at the pep rally. Afterwards, the students enjoyed putting the finishing touches on their floats. Next came the grand finale, the Homecoming parade, slightly hampered by the rain but continuing nevertheless. That evening came the showdown between Brunswick High and the Thompkins Wolverines. The Savannah group proved no match for the mighty Pirates as BHS romped all over them with a final score of 35-18. At halftime Shawn Mignogna was crowned Homecoming Queen.

HOMECOMING

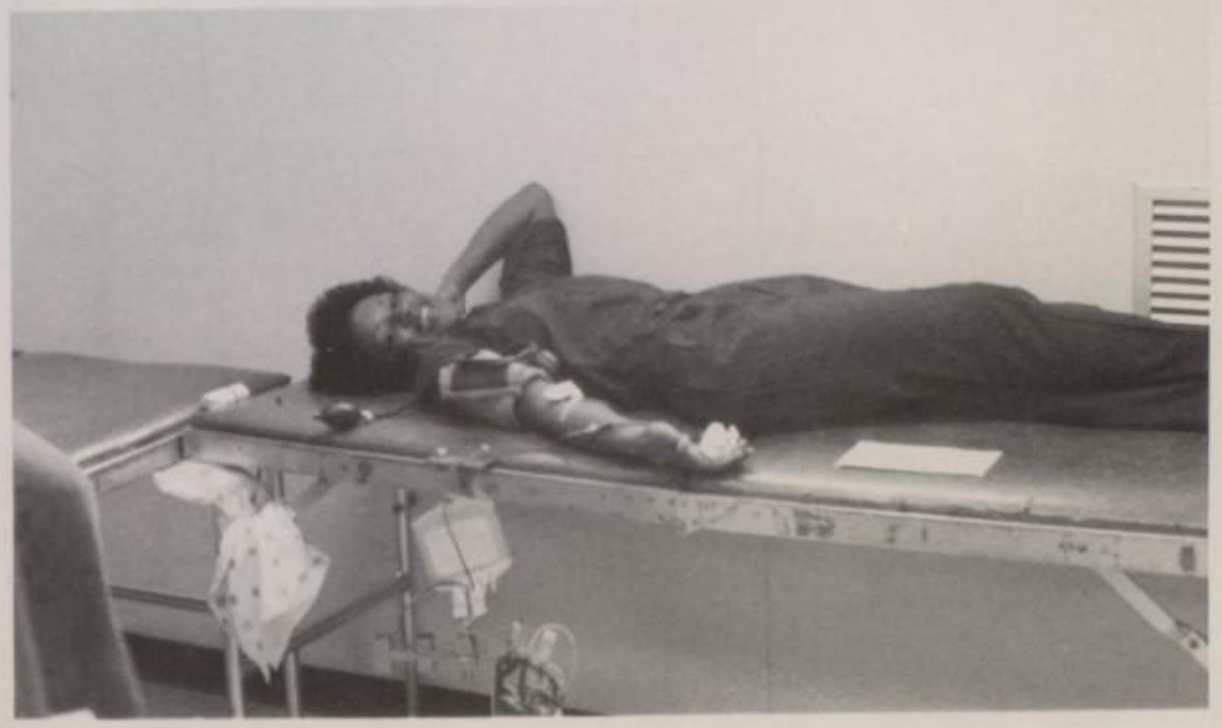
From the Heart

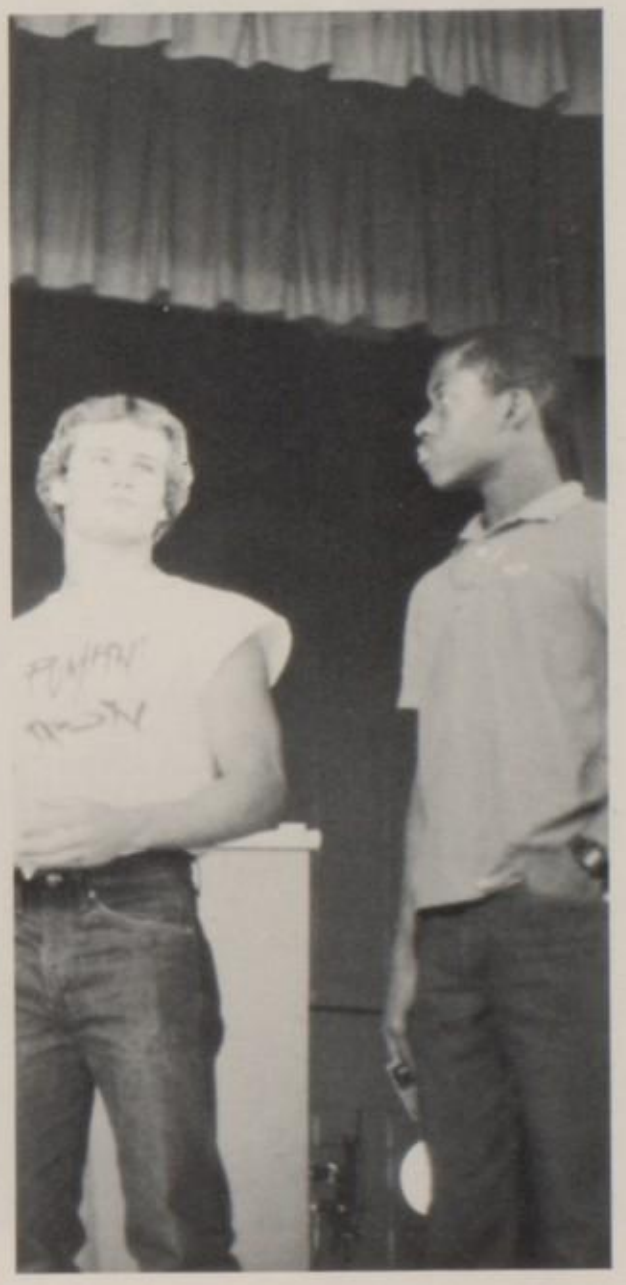
This year's Blood Drive was sponsored by the Student Council, with Dina Hale heading the project. We had a turnout of approximately 200 people including students, parents, and also teachers. We were in competition with Glynn Academy with both schools fighting to the finish. The winners are decided by the percentage number of pints given. Giving blood is not as bad as everyone says it is. Just be sure to eat a well-balanced meal and you will not have to worry about passing out.



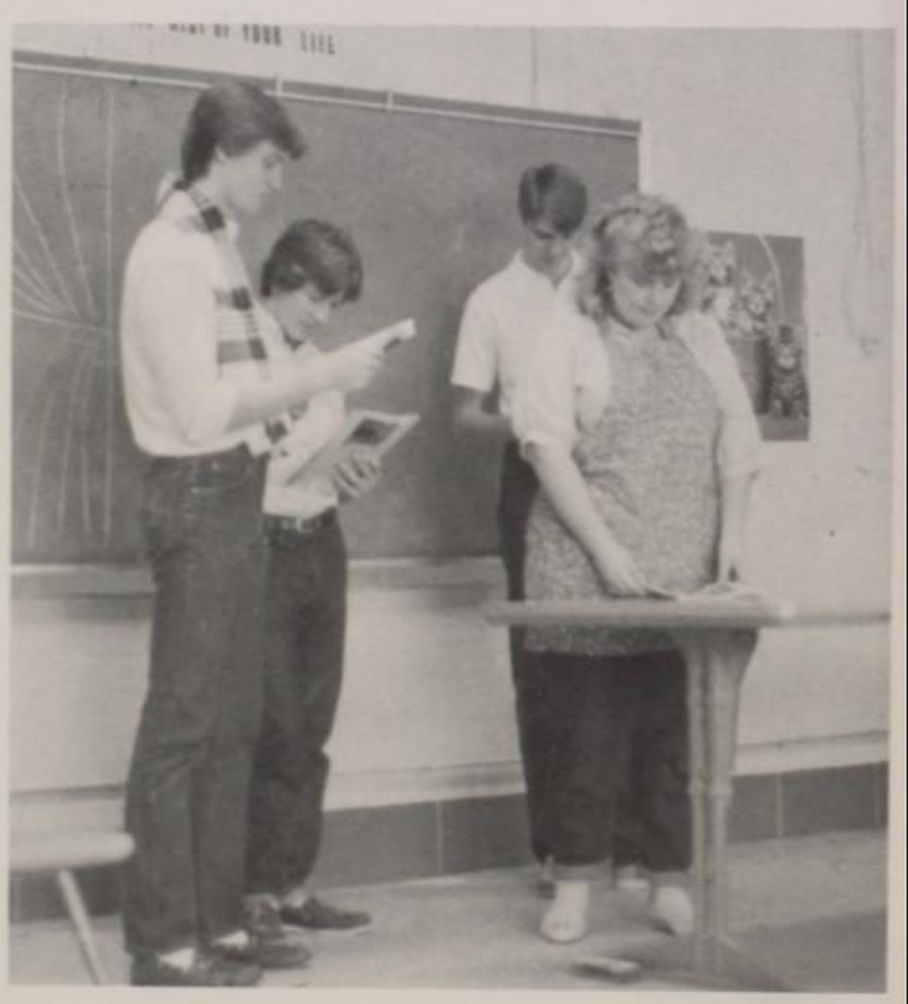
Looking Toward The Future

The Probe Fair proved to be a great success this year, as usual. College representatives came from all parts of Georgia and surrounding states to provide information to seniors and juniors in advanced classes and to answer any questions that students might have. The Probe Fair is a vital part of a student's life in that it can be the deciding factor in where one may go to college. It helps to inform a student of the various colleges of interest, scholarship and financial information, and entrance requirements. There is no limit to the knowledge that can be acquired from Probe Fair and there is no telling where it can take you. The Guidance Office is in charge of setting up the Probe Fair and they make sure that everything runs as smoothly as possible.

Another very special day for everyone was picture day. Students waited anxiously to step in front of the camera and say, "Cheese!" What was even more was the waiting to hurry up and get pictures back so that they could exchange with all their friends.



The Play's the Thing



To be or not to be is the very essence of drama. At Christmas time the juniors and seniors in Mrs. Parks' and Mrs. Fugate's Advanced English classes performed separately a version of Charles Dicken's "A Christmas Carol." These students put time, effort, and some humor into this well-known classic. "The Summer People," performed by Ms Elam's drama class, was displayed without props and scenery. This play showed the skillful acting and pantomime abilities of the students. These young actors share a great interest in the roles they portray. Both plays met with rave reviews from the students.

The Special Olympics is a time to recognize the sporting abilities of our special education students. This yearly event has activities ranging from track and field events to a frisbee throw. The good sportsmanship of these students should be an inspiration for all of us to try our best always.

Special Olympics

DRESSED TO KILL

The Pirates are all perfect examples of "A Touch of Class." They have always kept up with fashion trends, and this year was no exception. Two-tone jeans as well as parachute pants for both boys and girls were big this year. Even a new type of "chewing gum" jeans could be seen. Boys seemed to prefer dress pants or jeans with penny loafers while girls enjoyed crop pants and sweater vests. Jelly shoes were still worn as were the new leather moccasins and Prince boots. Leather and jean jackets increased in popularity also. However the biggest word on the Brunswick High campus was FLOURESCENT. From socks and sweatshirts to ribbons in their hair, these brightly donned students were sure to get a second glance.

With all of these fashionable clothes, accessories were a must. Gold watches, thick gold chains and long earrings rated high on every Pirate's list. Twist-a-beads in all colors and wooden beads were also popular.

No matter where they go the classy Brunswick High Pirates are always in style.

Procession of Nobles

As with every learning institution, the quality of education gained is the responsibility of the faculty. At Brunswick High School the academic excellence achieved is no exception. Administrators and teachers both work together to provide students with the highest degree of education possible. The devoted staff at Brunswick High constantly offers more to students than is offered in the classroom. Many of these teachers are club sponsors during the school year and the guidance counselors are always willing to lend students a helping hand. A special thanks to this dedicated crew—for they give true meaning to the words "Pirate Pride."

Board of Education

Taking It To The Top

The board led by Superintendent Kermit Keenum and Assistant Superintendent Walter McNeely has the awesome responsibility of making final decisions on the policy of the Glynn County School Systems. One of their most important decisions this past year was the controversial issue of zoning changes.

The delicate task of hiring new personnel and allocating monies for the improvement of schools are also two noteworthy duties. As one can see, much overdue praise should go to this dedicated group who give sacrificially of their time. They have helped to make the Glynn County School System one of excellence.

Administration

Follow The Leader

The Support Personnel at Brunswick High School is led by Mr. J. Robert Gaither, who is in his third year as principal. These administrators have the monumental job of supervising student instruction, maintaining discipline, coordinating the detailed process of registration, and making sure that everything stays "on task." An additional responsibility this year has been preparing for the SACS visitation in the spring.

English

Throughout high school the most complicated task that faces any student is English. Since this is the only course which must be taken all four years, it is a comfort to know that Brunswick High has such an excellent English department. Whether it be advanced or regular English, students are taught a variety of grammar, literature, and mythology by our devoted instructors. Additional work done by these teachers includes advising Rising Surf, Annual Staff and Student Council. Mrs. Brenda Hunt, sophomore English teacher, has been named Glynn County teacher of the year. We congratulate Mrs. Hunt on her accomplishments. A special thanks should be given to the entire English department. With Imogene Fugate as their head, this group of teachers prepares their students for college and anything else awaiting.

Spaced Out On Science

Science

Always open to the world of discovery is the Science department at Brunswick High. Scientific principles and concepts are learned through experimentation, not merely textbooks. Laboratory use is a regular activity here and students enjoy the vast knowledge of teachers who are well-qualified in the scientific field.

Headed by Mrs. Patricia McVeigh, this year's Science Department can be noted as a very productive branch of the school. It offers students a chance for exploration into this complex world in which we live and the possibility to discover something which otherwise may have been left unknown.

A Blast From The Past

Social Studies

Psychology, world history, economics, and current events are a few of the many interesting courses taught by our Social Studies Department. Headed by Kay Hendrix, this department offers students a variety of choices and a chance to receive college credit. Other branches of this department offer students activities other than those limited to the classroom. For example, a student may further his knowledge of world cultures and governments in Model United Nations. The Debate Team enables a student to undertake the controversy of current events.

Foreign Language

No comprendo-non intellegō—I don't understand

The foreign language classes have increased in size this year. Students have begun to realize the importance of studying a foreign language not only for college admission but later in life as well. Writing as well as speaking the language is stressed in these classes. The students also learn about the culture and the people who are native to their language of study. When Christmas time draws near, echoes of carols being sung by Latin and Spanish students ring through the halls. Brunswick High proudly boasts four teachers in this area. Mrs. Metz takes care of the Latin classes. Senor Jones along with Mrs. Powell and a new addition to the B.H.S. staff, Mrs. Nelson, share the Spanish classes.

Fine Arts

Play It Again

The Fine Arts department at B.H.S. provides an excellent opportunity for students to express themselves. The musically inclined may choose from either band or chorus. Mr. Denzil Sellers has been the band director for several years and still does a fine job. Ms. Carolyn Elam, choral department head, is in charge of the spring show. If art interests a student more, there are opportunities available. Students may choose from Theater Workship or one of several art classes. Mr. Collins serves as teacher of the art classes. We appreciate the excellent work our fine arts department has done to promote the artistic abilities of their students.

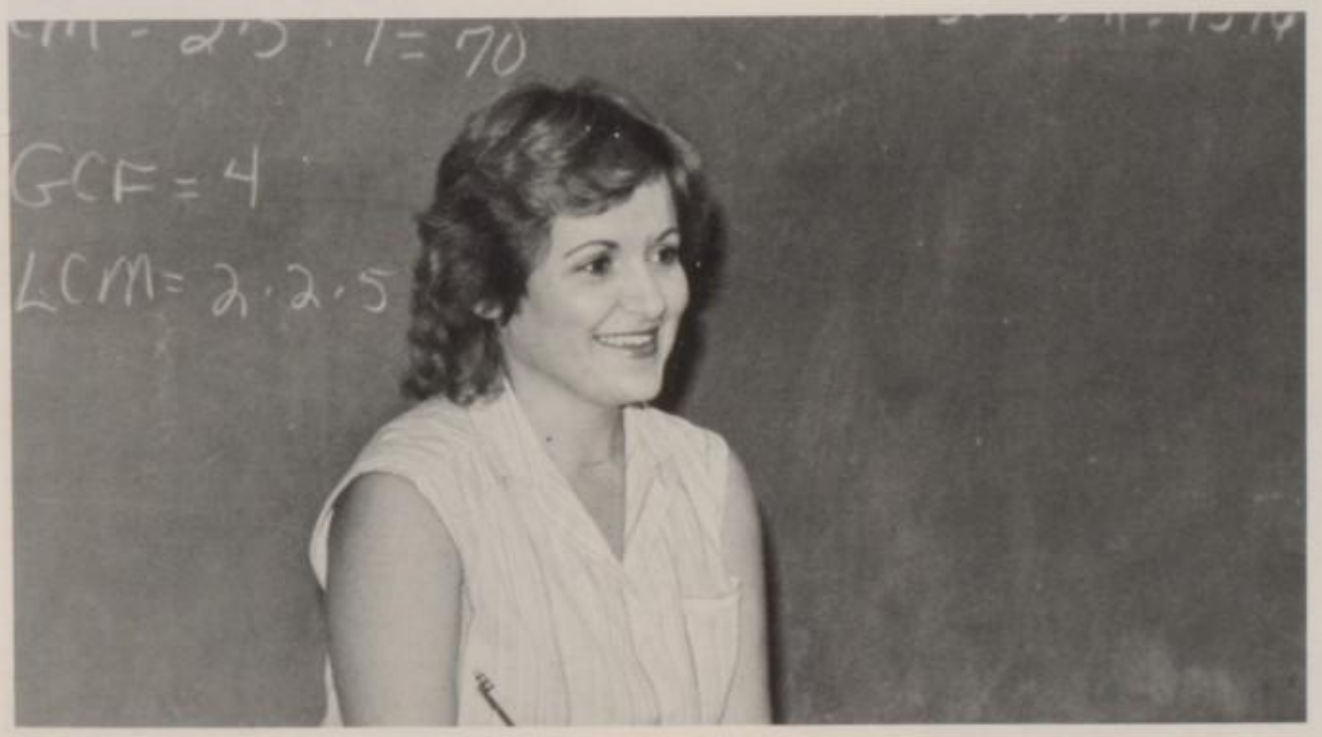
Math

Saved By Zero

Everyone remembers the frustrations of trying to decipher those lengthy word problems or trying to solve those algebraic equations. However, with help of the teachers in the B.H.S. Math Department, the ability to accomplish these tasks can be done with relative ease. Led by Charles Oldag, this department offers a wide variety of courses from which to choose. There is a class for everyone, ranging from regular math or algebra to math analysis or calculus. All in all, Math is alive and well at Brunswick High.



Home Economics

A Taste Of Home-made

Receiving practical experience in the classroom, the adults of the future receive great personal attention in Home Economics. The areas of study are those of preparing snacks as well as complete meals, designing and making a full wardrobe of clothing, the basics of home management and also the study of financial planning. Because the students are able to practice what they are taught, they can better understand and retain their new skills. This practical knowledge will be a great asset to the students in the future.

Business

Let's Get Down To Business

With more and more people buying and operating computers, the need for business courses increases. These courses help prepare students for taking a job by teaching them the basic skills they will need—typing, shorthand, accounting, data processing. Vocational Office Training and Intensive Office Procedures give students the opportunity to practice these skills and perform a service to the community.

Library

Knowledge On The Shelf

The library is a vital part of the school. It is more than just a place to study. It is a place where students can relax with a good book. Our library offers much equipment for use by all. If help is needed, one merely needs to look confused and our librarians, Mrs. Dorothy Brumit and Mrs. Marian Stevens, will gladly assist. The B.H.S. library offers an abundance of information and has something for everyone.

Vocational

Experience Your Future Today

In the Vocational Department which offers useful as well as educatial programs, one finds such unlikely combinations as hard hats and flowers. The students there learn to work with power tools and hand tools and in addition, they learn about wood harvesting and floral design. In these courses students are truly able to see the fruits of their labor.

Technical

The B.H.S. Technical Department has been acclaimed for years as one of the best facilities in the state. It provides students with skills ranging from auto mechanics to refrigeration, to cooking and beyond. The choice of courses seems endless, and the skills obtained are priceless. However, besides offering so much to students, the technical department also serves the community. People can have anything from programs printed to cars painted. This department can be noted as a very vital part of the school. It's service is offered to the community as well as its students.

Guiding Through Troubled Waters

The guidance office is designed to advise students through their four years at Brunswick High School. They keep records of all students' grade point averages and class ranks. They are in charge of scheduling competency tests and alerting students of PSAT and SAT dates. The guidance office arranges the Probe Fair to allow Juniors and Seniors to explore different college choices. Each counselor is always available to help answer questions and help with school problems. Brunswick High School has three well-qualified counselors: Mr. Robert Griffin, Betty Randolph and Camille Penders. We appreciate the hard work they do to keep each school year flowing smoothly.

Physical Education

Jump, Shout, Boogie

The Physical Education Program here at Brunswick High is certainly one to be proud of. Whether you are taking P.E. just because it is a required course for graduation or because you are on a team you enjoy, your mind as well as your body will be exercised and fulfilled. Without the excellent curriculum that Coach Willis, Coach Baker, Coach Jachimowicz, Coach Floyd, and Coach Sheffield provide, the students would be deprived of great leadership as well as the fine comraderie attained in these classes.

Driver's Education

I Can't Drive 55

Driver's Education is one of the most important electives a student can take. After taking the dreaded test for a learners permit, the students ready themselves for gruesome movies and intense book work. We appreciate the time Mr. Paul Marshall spends teaching his students. This course will help the students learn how to handle all situations on the road.

NJROTC

Captain and Crew

Instructing its members in the basics of military life, the Naval Junior Reserve Officer's Training Corps offer courses that provide personal and group training beneficial to people not pursuing the military as a career. In addition, the teaching and guiding of pride and character is also included as well as courses in naval science, health and safety, and oceanography. The care taken by Captain Richard Amme and Chief Cecil Burcham underscore the importance of the values taught in NJROTC. To break the routine of daily classes, several field trips are scheduled. Near the end of the year, the cadets are ready to show their skills in the annual inspection in May.

Special Education

A Helping Hand

Some students at Brunswick High have special educational needs. For these students there is a group of teachers whose dedication is unsurpassed. These teachers deal with the understanding of individual needs and abilities which can greatly affect the attitudes of their students. The Special Education instructors at B.H.S. act as more than teachers for their students, they act as friends. In doing this, they are able to cross the line that sometimes hinders a student's learning ability.

Secretaries and Aides

The Glamorous Life

A note of recognition should certainly go to the ladies at B.H.S., who are known as our secretaries and aides. These dedicated women are there when the students arrive at school and are there long after they have left. Their day demands long hours of typing memos and letters, answering the phone and xeroxing tons of tests. These ladies take much of the work off overburdened teachers and others on the B.H.S. staff. With their invaluable help, Brunswick High can certainly find it much easier to sail towards excellence during this school year.

CBVE

Working For Tomorrow

One of the most valuable as well as most interesting courses offered to students is the Community Based Vocational Education. This rewarding program offers the student on-the-job training at a local business or with a local professional. In this class, which is held at Glynn Academy, one can learn skills offered in one of the four basic areas of vocational education: communications media, business management, public services, and law-justice. The free experience learned in these areas of business are certain to be beneficial to students in their futures.

Cafeteria

Food For Thought?

The cafeteria at Brunswick High School strives hard each and every day to provide not only a delicious meal but also a nutritionally balanced one. It has to be ready on time for three lunch periods—not an easy task.

The dedication and ability of our cafeteria workers are reflected everyday in the efficiency of our cafeteria.

The Crown Jewels

This section of the yearbook gives special attention to all Pirates who have received honors and awards during the 1984-1985 school year. All winners should have a deep sense of pride for their accomplishments. Not only did they make themselves proud, they have won the respect of the entire school. This sense of sharing has led to an honor all Pirates take pride in—receiving recognition as a school of excellence. It is good to know that Pirates are always willing to strive for excellence.

Honors

School of Excellence

Brunswick High School was chosen as a School of Excellence for the 1984-85 school year. This was a high honor for the Pirates. In this exercise our school overcame obstacles and concentrated on improvement. Attributes considered in the rating of schools are clear academic goals, order and discipline, rewards and incentives for teachers, community support and involvement and many more. Congratulations to the B.H.S. faculty and students on their outstanding achievement.

Teacher of the Year

Mrs. Brenda Hunt received the honor of being named Glynn County Teacher of the Year. She was selected from a field of teachers in the Glynn County School System. Each school nominated a teacher and the evaluation began. The nominees were asked to complete a questionnaire including professional preparation and teaching experience, educational and civic services, innovative instructional methods and special projects. Mrs. Hunt definitely fulfilled all of these requirements as she is involved in many projects with her students and in her community. We congratulate Mrs. Hunt in this prestigious award and wish her continued success in the future.

Governors Honors

The Georgia Governor's Honor Program is an honor bestowed upon only 600 sophomores and juniors each year. The students are nominated by their teachers in categories ranging from academic and vocational studies. These students were interviewed and have spent six weeks at a summer program in Valdosta, Georgia.

Brunswick High, for each and every year, has had excellent participants in this program.

National Honor Society

The National Honor Society is an organization of students who have been recognized for their outstanding academic abilities. These students have maintained a standard grade point average, showed good leadership among their fellow classmates, and involved themselves in activities within both the school and community.

Members of N.H.S. are those from the senior and junior classes. In order to be accepted, each nominee had to fill out an application, which was later approved by members of the faculty. After the approval was made, the selected students were inducted. This took place in the spring of their Junior or Sophomore year.

Departmental

Each year the top students from each grade level receive the Departmental Award for excelling in his respective subject. The academic achievement of these individuals is an honor which deserves an award. Each winner is given a certificate and a pin representing the discipline won. These items serve as reminders of the students' achievements. Every student who wins should be commended for an excellent job. We wish them continued success in future years.

Bryn-Alan

Each year a devoted annual staff photographer receives the Bryn-Alan Award. This year that honor was bestowed on Astor Lim, the head photographer. The award is given to the photographer who best shows interest and skill in taking photographs. We congratulate Astor Lim on his receiving this award, as he was most deserving.

Century III

The 1984 recipient of the Century III award was Kenneth Head. This award is sponsored by the National Association of Secondary School Principals. Participants must enter an essay on a designated subject and then take a current events test. The winner is then selected on the consideration of his leadership qualities, school honors, and community involvement.

Junior Miss

Junior Miss is a scholarship program available to senior girls. To represent our community the student must be intelligent, talented, and physically fit. This years winner received a 1,000 dollar scholarship to BJC and 500 dollars to the college of her choice.

The Local winner then goes to participate at the state level. At the state level qualified young women from across the State compete for the title of Junior Miss Georgia. Miss Michelle Cox was our local winner.

Georgia Scholar Program

The Georgia Scholar Program is an effort by the Georgia Department of Education to identify and recognize public high school seniors who have achieved excellence in school and community life. It is the first step in a plan to enhance excellence throughout Georgia's public school system. This year's scholars were Stewart Haskins, Chris Gray, and Ken Head.

National Achievement Scholarship for Outstanding Negro Students

The National Achievement Scholarship for Outstanding Negro Students was designed by the National Merit Program to honor exceptional black students who performed well on the SAT. Kelvin Roberts was selected by the College Board for this award. He hopes to obtain a scholarship to Georgia Tech.

PC Junior Fellow

Each year, the two highest ranked boys and the two highest ranked girls in the Junior class are chosen to receive the Presybterian College Junior Fellow Award. Last year the recipients of this award were Ken Head, Chris Gray, Gina Rowell, and Rosalie Pacheco. Along with being recognized as a PC Junior Fellow, these students are offered a certificate and an opportunity for a scholarship to this college.

Penny Art Scholarship

This scholarship is to help talented students further their field of study by competitions. These competitions are held on both the district and state level. David Dixon, Lynita Spivey, and Billy Sonnenthal were nominated by the Brunwick Junior Women's Club. Gary Dukes was nominated by the Women's Club of Brunswick.

Certificate of Merit

Students in the top five percent of the Junior class are the honored recipients of a University of Georgia Certificate of Merit. These students are lauded for their scholastic achievement by being given a certificate acknowledging their achievement during their first three years of high school. Colleges are interested in the accomplishments of these students. We commend each of these students and wish them continued success.

NCTE

The top Juniors, nominated by the English department, are chosen to write an essay for the National Council of Teachers of English. In their essay they must show such qualifications as depth of ideas, a great command of vocabulary, clearness on their subject, and creativity in their writing.

A panel of five judges chooses the two best essays based on the qualifications above. This year Joan Sanders and Jeff Newbern received this award.

President's Leadership

Six years ago Converse College in Spartanburg, South Carolina, introduced the President's Leadership Program for the sole purpose of developing leadership qualities in young high school women. Participants learn how to identify their own personal leadership style and also how to balance their style compared to those of other participants in the group. Ginger Tanner and Annie Myers were selected from Brunswick High for the President's Leadership Program.

Who's Who in Foreign Languages

Each year, Students in foreign language classes with high aptitude are honored for their work. They are included in Who's Who in Foreign Language. They have their biographies printed in a book by this organization. These students are to be commended for excellence in their respective language.

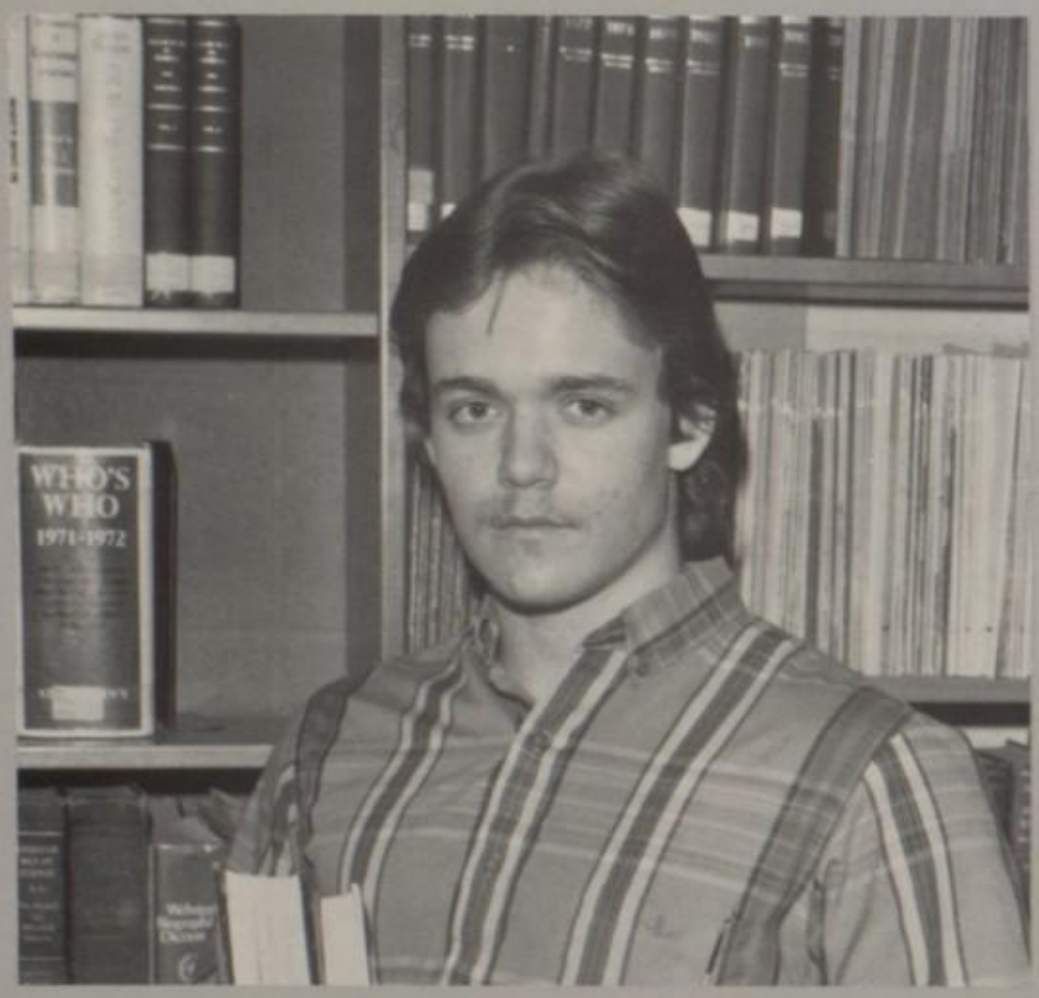
Academic Team

The Academic Team is a group of students who are able to think quickly on their feet and have a great variety of knowledge in academic areas as well as sports, movies, music, etc. Students are selected on a number of criteria including their grade point average, spirit of competition and enthusiasm. The interested students meet after school to get in practice and make up the team. Last spring they competed at Georgia Southwestern College in Americus, Georgia.

Kelvin Roberts, Derrick MacArthur, Marsha Moore, Jeff Wilkerson, Cathy Martin, Calvin Morgan

Woodmen

The Woodmen of the World Life Insurance Agency annually give their history award to outstanding history students. Thurla Hughes was the honored recipient of this award last year because of her excellent performance in her advanced history class. She was presented with a trophy to symbolize her achievements.



Senate Youth

For two years in a row, Chris Gray has been selected as Glynn County's candidate for the United States Senate Youth Program. This activity was created for outstanding high school students to help broaden their knowledge and understanding of Congress and the legislative process in our nation's capitol. Chris will participate at the State level and, if successful, will go on to the senate in Washington D.C.

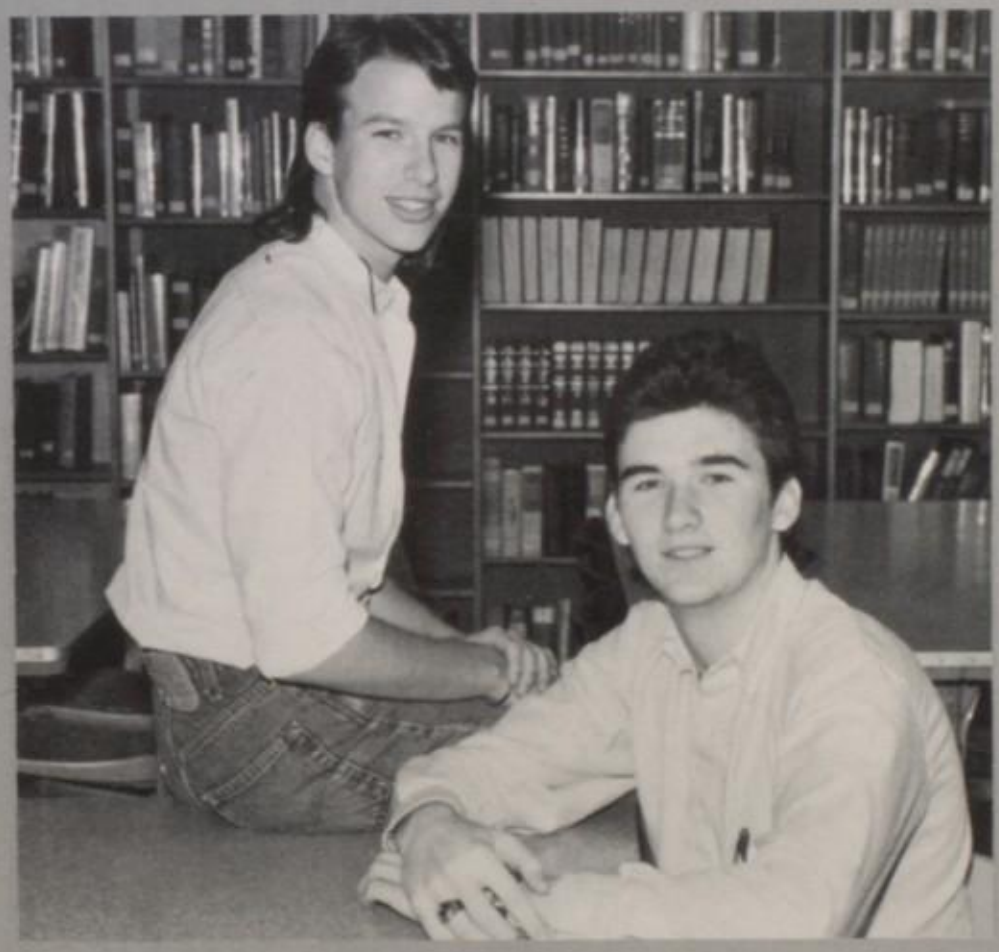
Hugh O'Brian

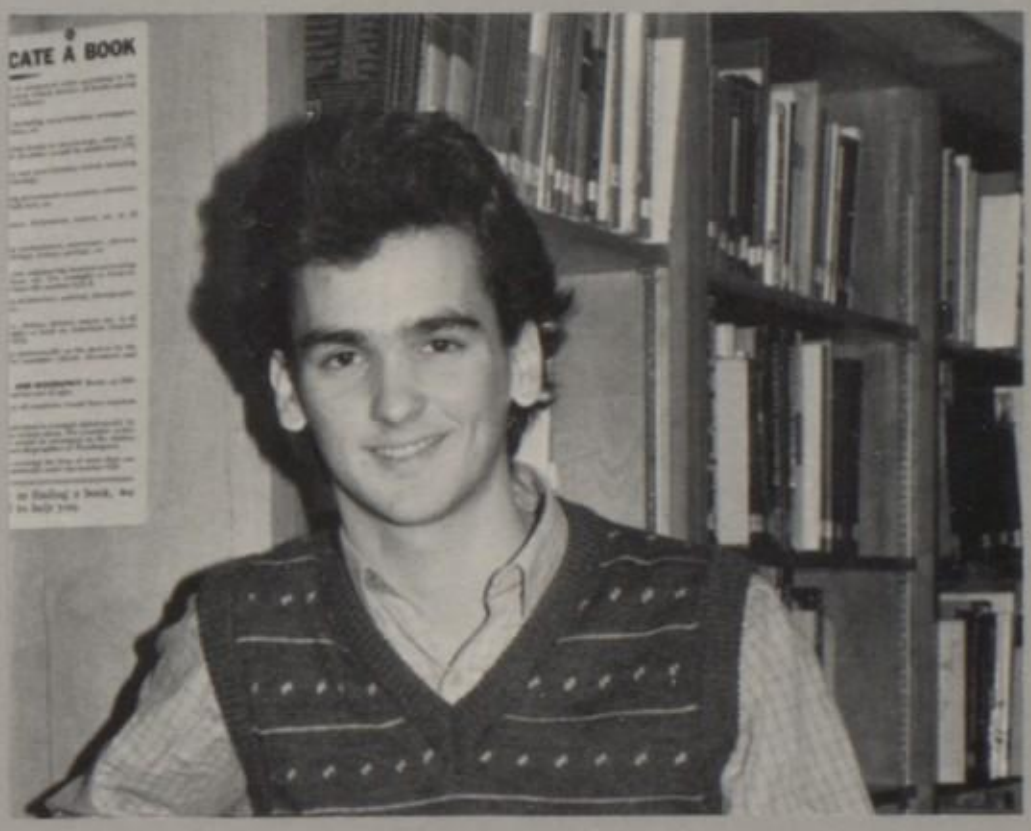
Selected Sophomores from all over Georgia attend the Hugh O'Brian Leadership Conference in Atlanta. These students are selected on the basis of leadership potential. Those who are fortunate enough to attend this seminar are enriched by the speeches of the guest speakers and other events. This year's representative to the conference was Cathy Edler.

Omega Psi Phi Talent Show

The Omega Psi Phi sponsored a local talent search in which Billy Sonnenthal and Lynita Spivey emerged as winners.

Billy Sonnenthal won first place in Macon and was chosen to show his abilities at the Jacksonville Jazz Festival.





Boy's and Girl's State

Participants in the Georgia Boys and Girls State program were Calvin Morgan, Stewart Haskins, and Susan Hogquist. They were chosen on the basis of their leadership potential and academic achievements. While in attendance at the week-long program, they were involved in an accelerated program in government, complete with mock elections. They also participated in athletic events and other special activities created for the boys and girls from across the state.

FBLA

Last year at the annual Future Business Leaders of America Convention, Chris Moreira won second place in Business Mathematics at the state level. Competition from all over the state met in Atlanta representing the many F.B.L.A. chapters. The competition involved a written test on mathematics applied to business uses including payrolls, productivity, and taxes.

Star Student

Chris Gray was named Brunswick High's STAR Student for 1984-85. Sponsored by The Georgia Chamber of Commerce, this honor recognizes Georgia's best students determined by the highest scores in each school on the College Boards SAT. There is a competition at the county, district, and state levels.

Chris Gray chose Mr. Jerry Payne as his Star Teacher. Congratulations to Chris.

Student of the Month

Fourteen students from the Senior class are chosen annually as "Students of the Month." They are sponsored by either the Rotary Club or Exchange Club. Each was selected because of his/her leadership and academic skills. To recognize them for such well performed roles, they and the teacher of their choice were invited to a special dinner.

Who's Who

The organization of Who's Who Among American High School Students gives special recognition to Juniors and Seniors who have exemplified academic excellence during their first few years of high school. Each student receiving this honor is eligible to vie for scholarships. They are also given the opportunity to purchase a book featuring their biography and picture.

Society of Distinguished American High School Students

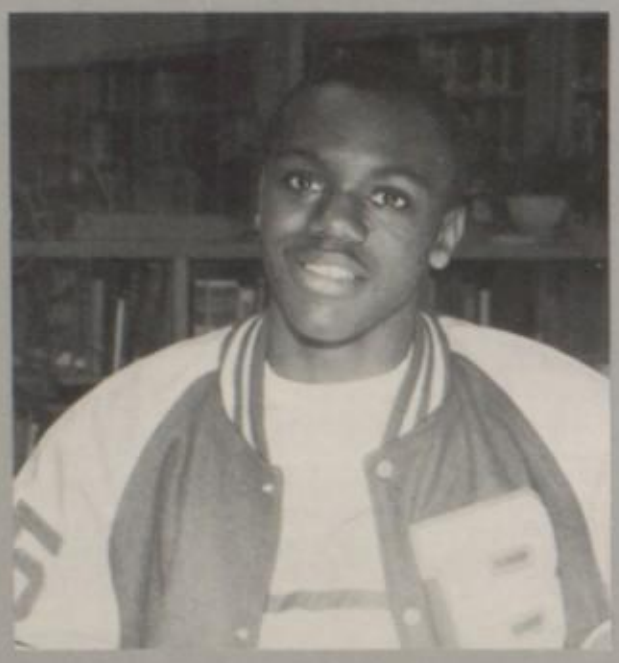
Each year the students who rank in the top twenty percent of their classes are honored by being named to the Society of Distinguished American High School Students. These students hail from the tenth, eleventh and twelth grades. The honor recognizes high academic performances by selected students. These students have their biographies published in the book printed by the Society.

Dale Murphy/Atlanta Journal-Constitution Scholarship Nominee

The Atlanta Journal Award is a scholarship benefit given to Seniors in the Georgia area because of their outstanding leadership and activeness in school. Each year students from different school counties within the state compete for this award. Only one nominee from every school is allowed to participate in the event. Kelvin Roberts was nominated to represent Brunswick High School.

SAR—DAR

The Good Citizen Award is sponsored annually by the William Miller Chapter of the Sons of the American Revolution and the Brunswick Chapter of the Daughters of the American Revolution. Selection is on the basis of leadership, dependability, service, and patriotism. SAR award went to Chris Gray and the DAR award to Valerie Ryals.



Debate

The Brunswick High School Debate Team has consistently been at the forefront in debate competition. Mr. Ervin turns out the best. Special recognition goes to some of the team. Stewart Haskins, Chris Gray, and Ken Head have completed four outstanding years as debaters. Glenn Fletcher and Chris Moreira were advanced to semi-final rounds. Delria Tate and William Smith placed relatively high in competition. Jeff Newbern excelled in several debate tournaments.

All-State Chorus

Three of Brunswick High's students were chosen to try-out for All-State Chorus. These were Jeff Dempsey, Vincent Alford, and Gary Dukes. In order to make All-State, each of the three had to perform a solo, play their scales, and sightread. The All-State Chorus will perform in Savannah in April.

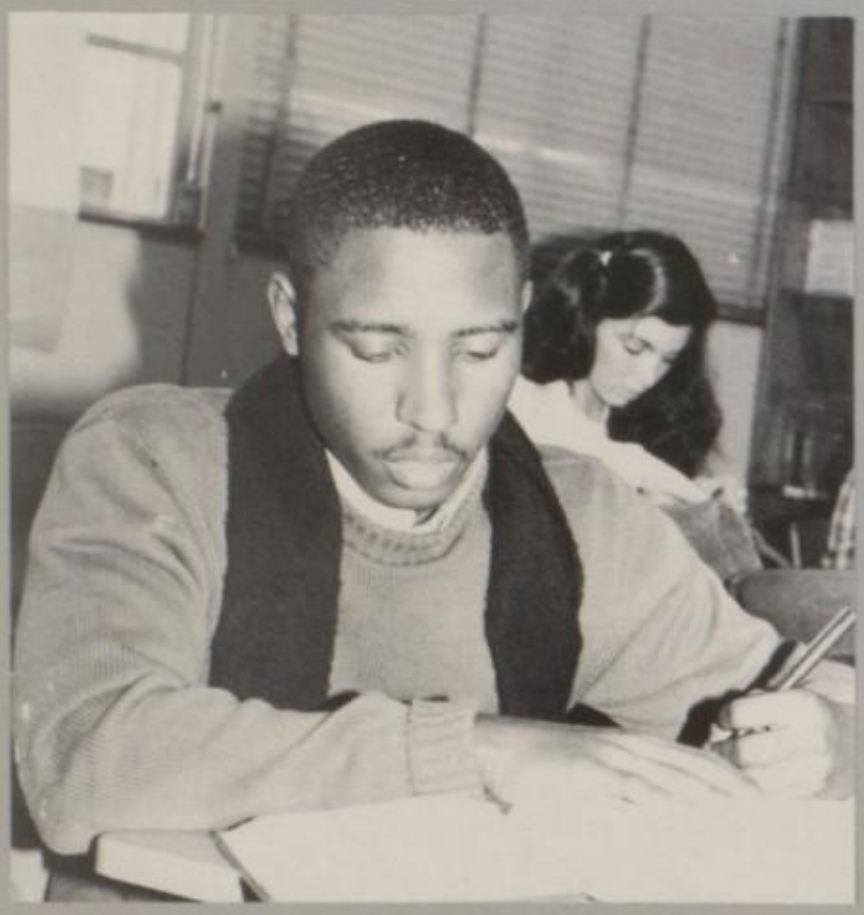
Youth in Government

Six students from the Senior class were elected by their classmates to spend a day as government officials. These students were Chris Gray, Mayor; Shawn Mignogna, City Commissioner; Sharen White, Public Works; Edna Alexander, County Commissioner; Kristina Baker, Fire Chief; and Al Johnson, who held the office of Police Chief. This was a great advantage for them to further their knowledge in history and to become more familiar with our governmental leaders and their duties.

Special Olympics

The Special Olympics Spring Games brought anticipated competition to the participants. Together they worked hard and pulled out their very best in every event. Some of the competition included standing long jump, frisbee and softball throw, 440 relay, 50 yard dash, and other track and field events.

The Special Olympics Southeast Regional Winter Games held in Boone, N.C., provided Ken Thorton with a first place gold medal in the Alpine downhill skiing event and Carlis Wells with a second place silver medal in the same event.



PIRATES

The Court

The main part of any school is, of course, the student body. This section is devoted to saluting every member of the "court." The students at Brunswick High should be commended for their honors and achievements. Each Pirate works hard in order to fulfill the requirements for graduation. These students realize the importance of a good education in preparing for college and holding a job later.

Upon graduation, these students will leave Brunswick High School with the skills they will need for their careers and with a sense of great accomplishment. A Pirate salute goes to all Pirates for a job well done.

Classes

Seniors

In spite of the absence of a Senior Assembly, the Seniors were still determined to let their Pirate Pride shine through. The Senior class is proud of the accomplishments they have made. The honors and special recognition they have received have helped to unite them closer together. Buying caps and gowns and ordering graduation announcements is an exciting and memorable experience. Seniors spend time filling out applications to colleges of their choice. They will use their skills and talents to become the best they can be. The knowledge these students have acquired over the years, combined with the determination they possess—these Seniors have much to offer. Just watch out when the Seniors start stepping out in style.

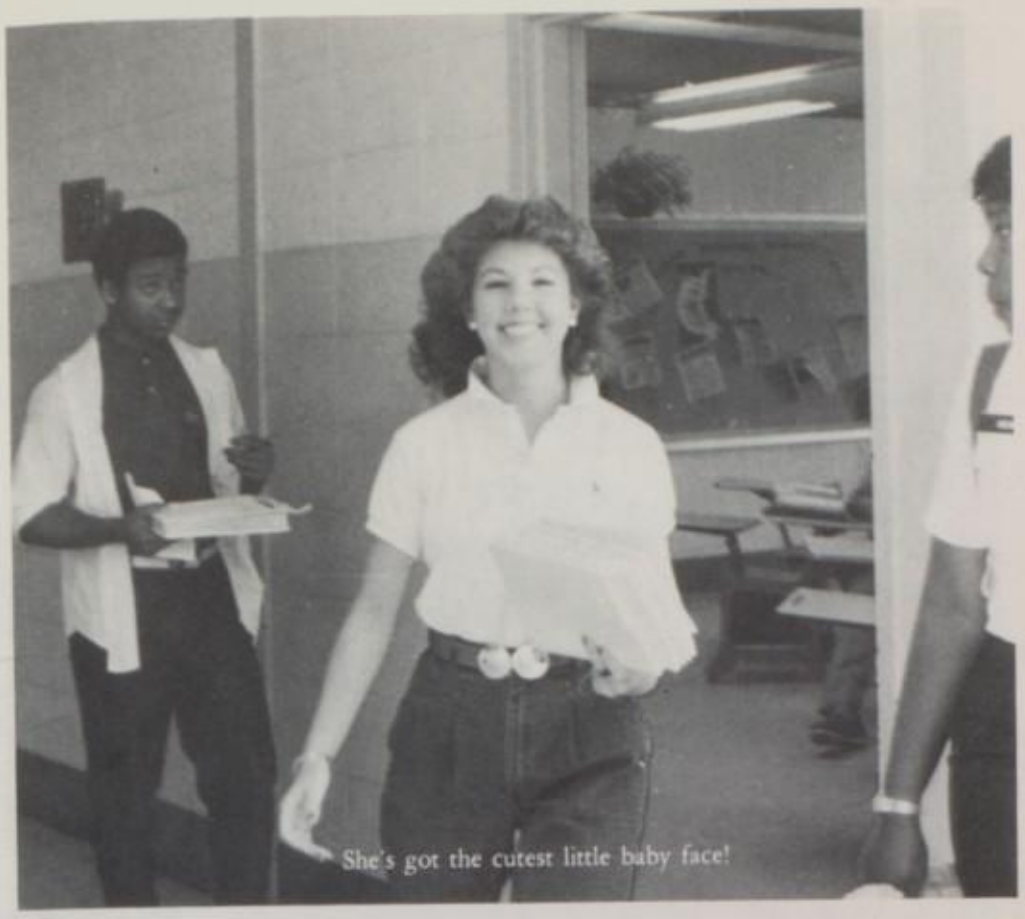
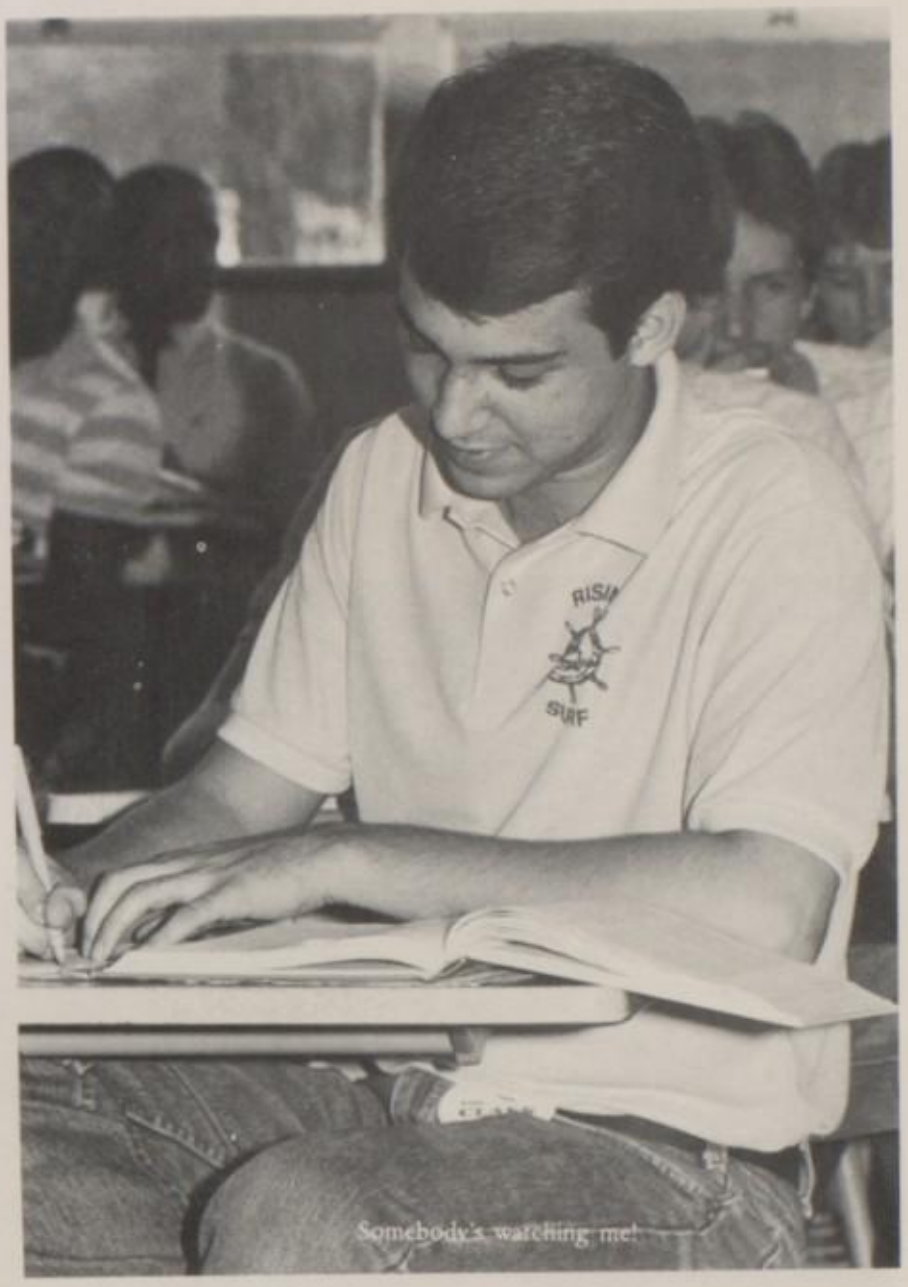
Mama said there'd be days like this.

Being cool is a privilege.

Natalie's taking care of business.



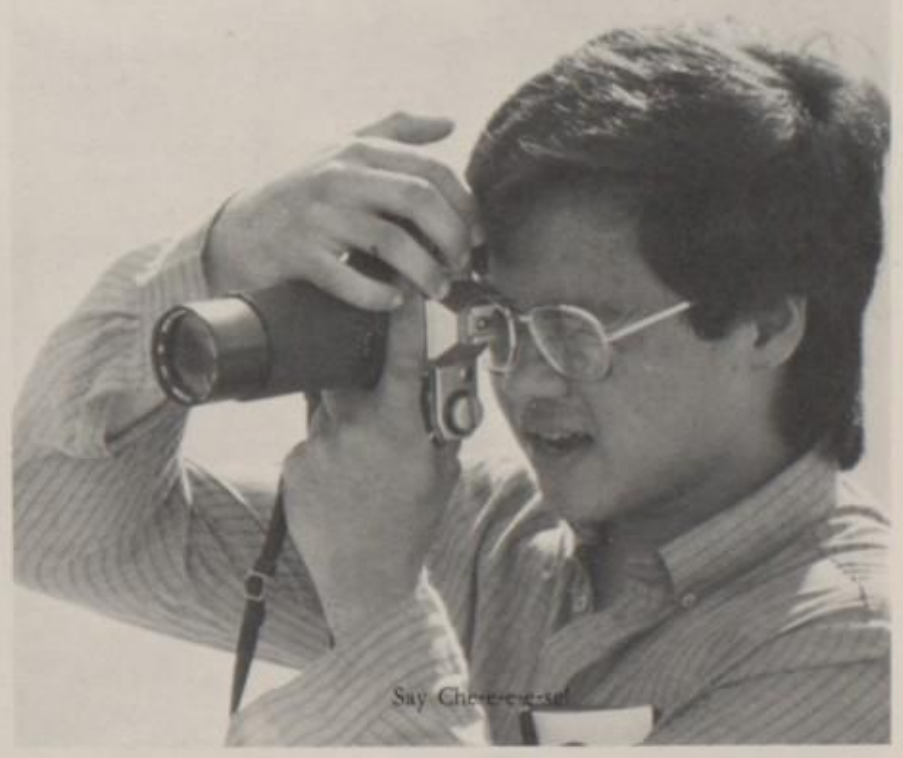
She's got the cutest little baby face!



Somebody's watching me!

Of course I've got Tom Selleck's number.

Wonder what her name is?



Say Cheeeeese!

Superlatives

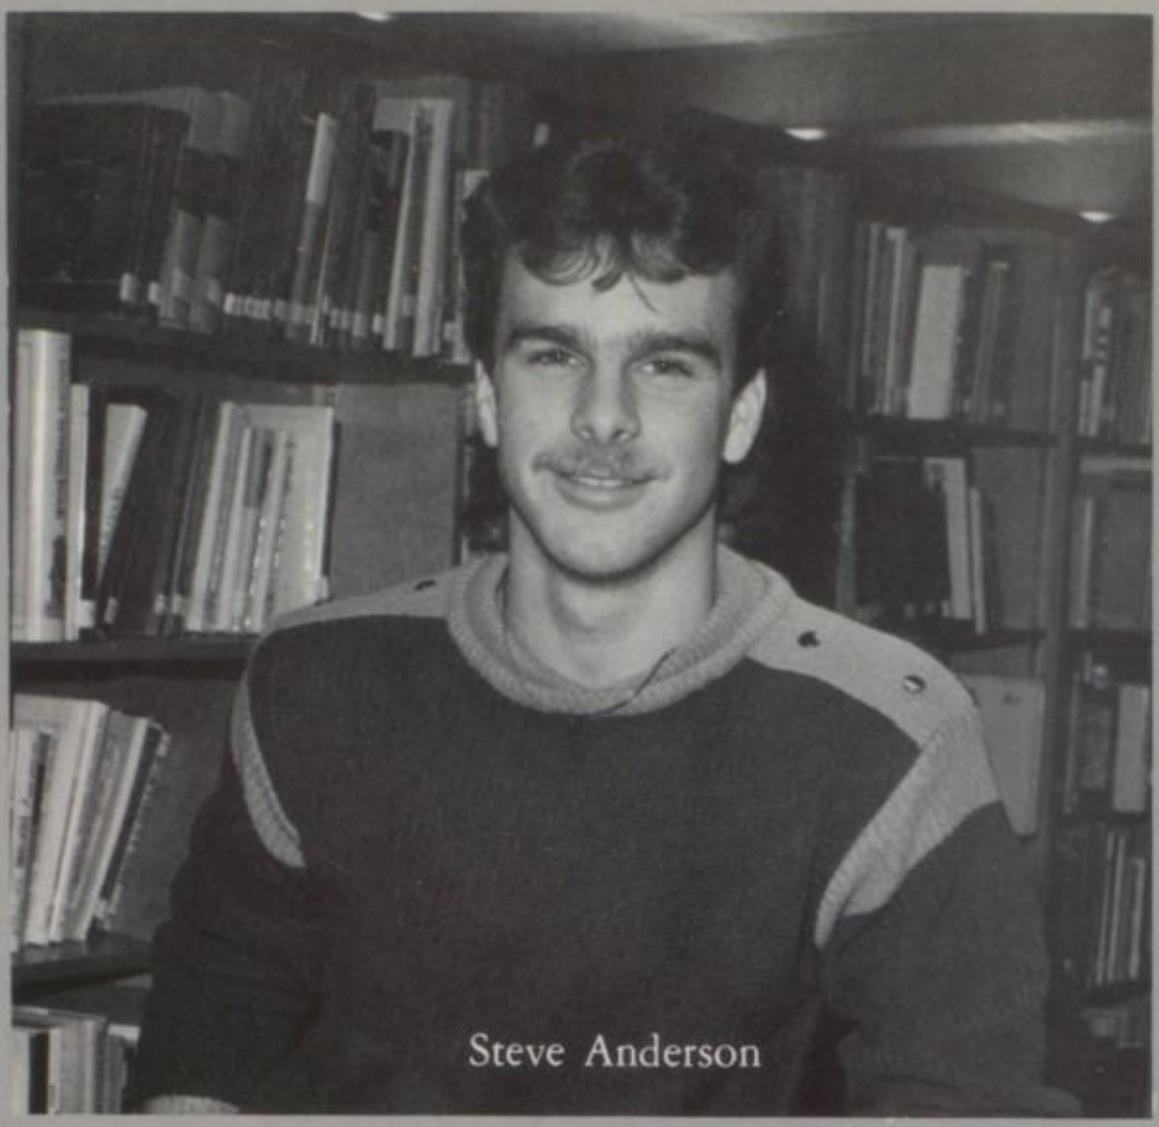
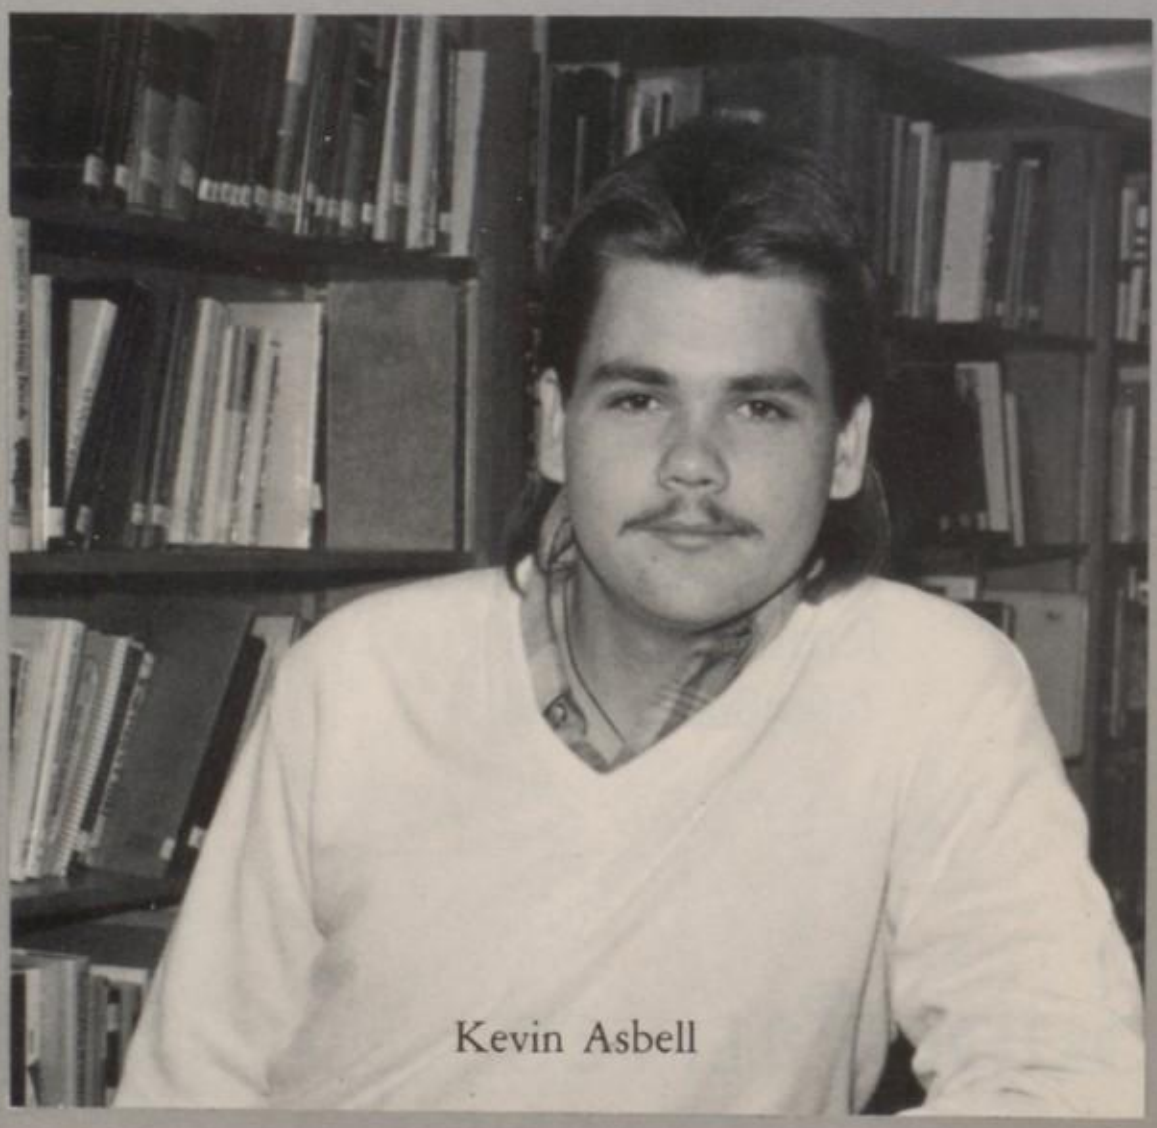
Steve Anderson was voted "Best Looking" by the Senior class. Besides good looks, he has been presented several awards and honors for leadership and learning. He received Who's Who Among American High School Students for two years, the Society of Distinguished High School Students Award and the Driver's Education Award. Steve was a member of Model UN, BHS Baseball Team and the Tennis Team. He was also a Student Council member and a Senior Class Representative. Steve plans to continue holding this prominent image and attend the University of Georgia majoring in Business and Marketing.



Steve Anderson

Outstanding

Kevin Asbell was an active member of the Brunswick High Student body. He was a member of the Boys Tennis Team. Due to his prowess on the courts, he was named Most Valuable Player. He was a member of the Science, Latin and Spanish Clubs. Good looks are also on Kevin's side as he was voted "Cutest" in the Senior Class. He was actively involved in the band. He was a three-year symphonic band member and participated in marching band all four years. He was a Student Council representative his Senior year. Kevin plans to attend Shorter College or Valdosta State and major in marketing or accounting.

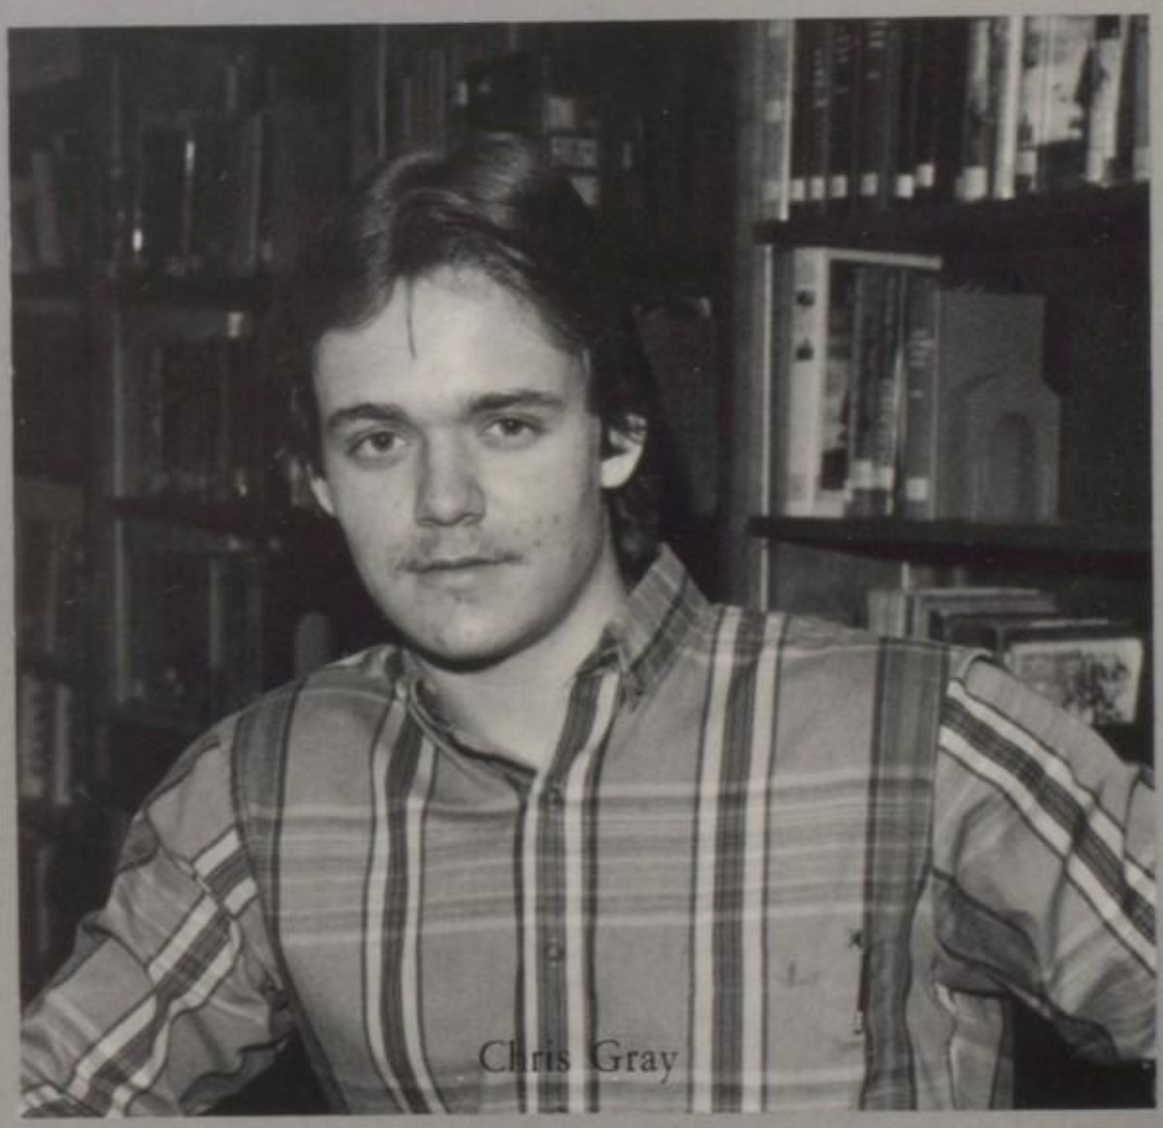


Kevin Asbell

Michelle Cox

Michelle Cox, Brunswick Junior Miss, is a multi-talented student. Musically, she was involved with both the marching and the symphonic band. Her Senior year she was Drum Major. She was a show choir member and served as an accompanist on many occasions. Michelle's musical talents led her to become a band alternate for the Governors Honors Program. Academically, she was a member of Who's Who and the Society of Distinguished High School Students. She was also a recipient of a Georgia Certificate of Merit. Her speaking abilities were noted when she won first place in the Optimist Club Oratorical Contest. Her sophomore year she received the English Departmental Award. She participated on the Debate and Model UN teams. She was chosen as an Exchange Club Student of the Month for October. As a member of the Honor Society she served as Treasurer. She served the Senior Class by being their activities director. Michelle plans to attend the University of Georgia and obtain a degree in Transcommunication arts.

Seniors



Chris Gray

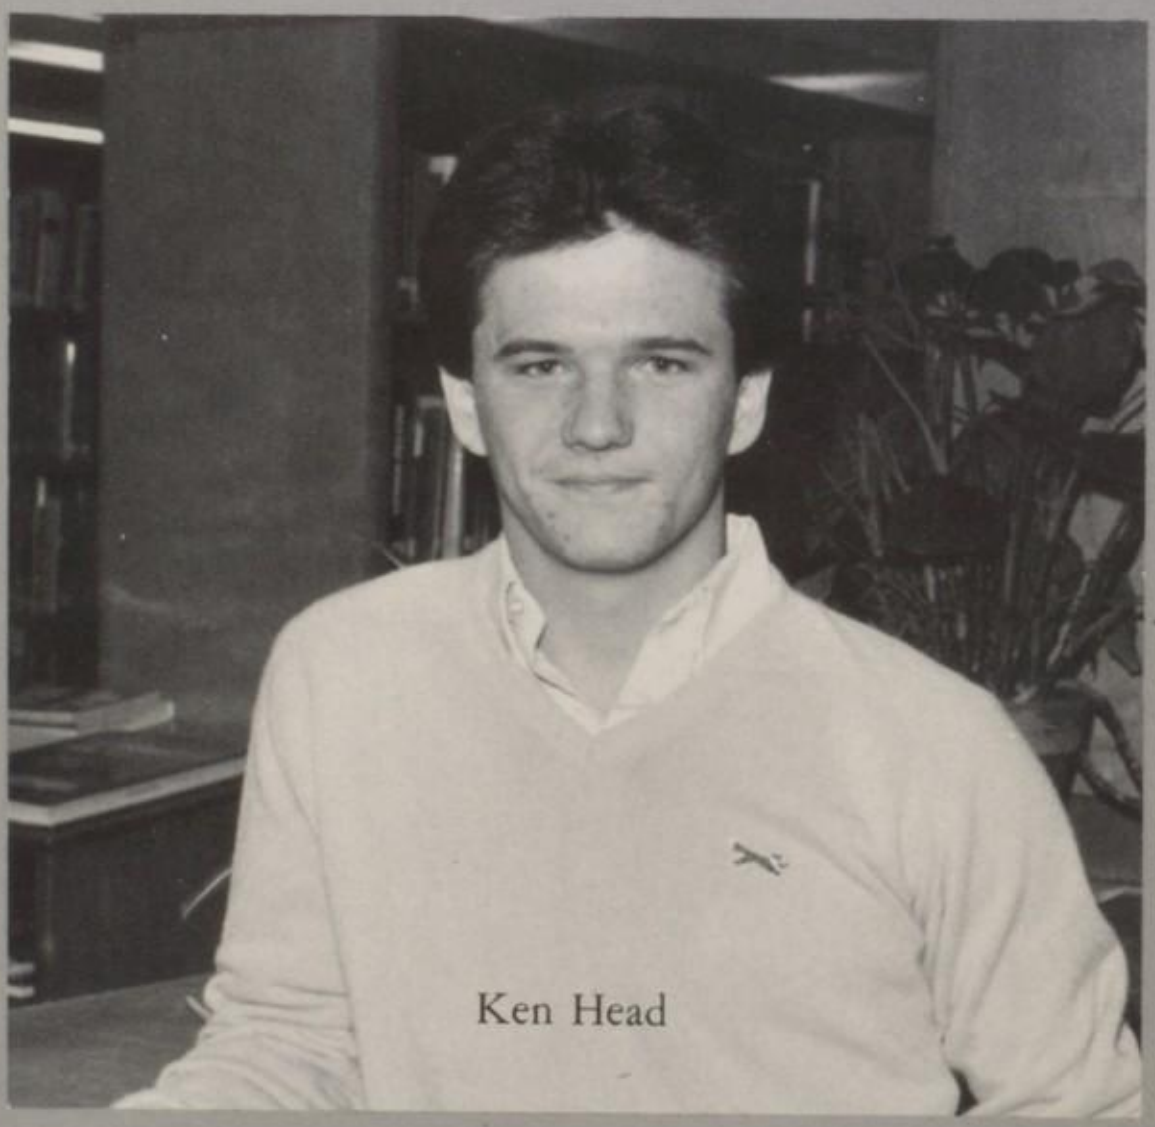
Chris Gray was one of the most distinguished members of his class. Voted "Most Likely to Succeed," he was chosen as Brunswick High's STAR STUDENT. Chris' academic excellence will probably be best remembered by his capturing all four departmental awards his ninth grade year. He was named a Georgia Tech President's Scholarship Finalist. As a United States Senate Youth County Nominee, he was first runner-up at state level. He was a Governor's Honors Participant in Math and a state alternate in math. He received a Certificate of Merit and was a Presbyterian College Junior Fellow. Chris was also included in Who's Who and the Society of Distinguished High School Students. He received an International Foreign Language Award and a Leadership Merit Award. He was very active in Debate and Model UN. He was honored as a Rotary Club Student of the Month. His classmates elected him Mayor for Youth in Government. Chris' talents went beyond the classroom as he participated on the Varsity Baseball Team for four years. He plans to attend Georgia Tech, obtain a bachelor's degree in aerospace engineering, and possibly become employed by NASA.

Outstanding

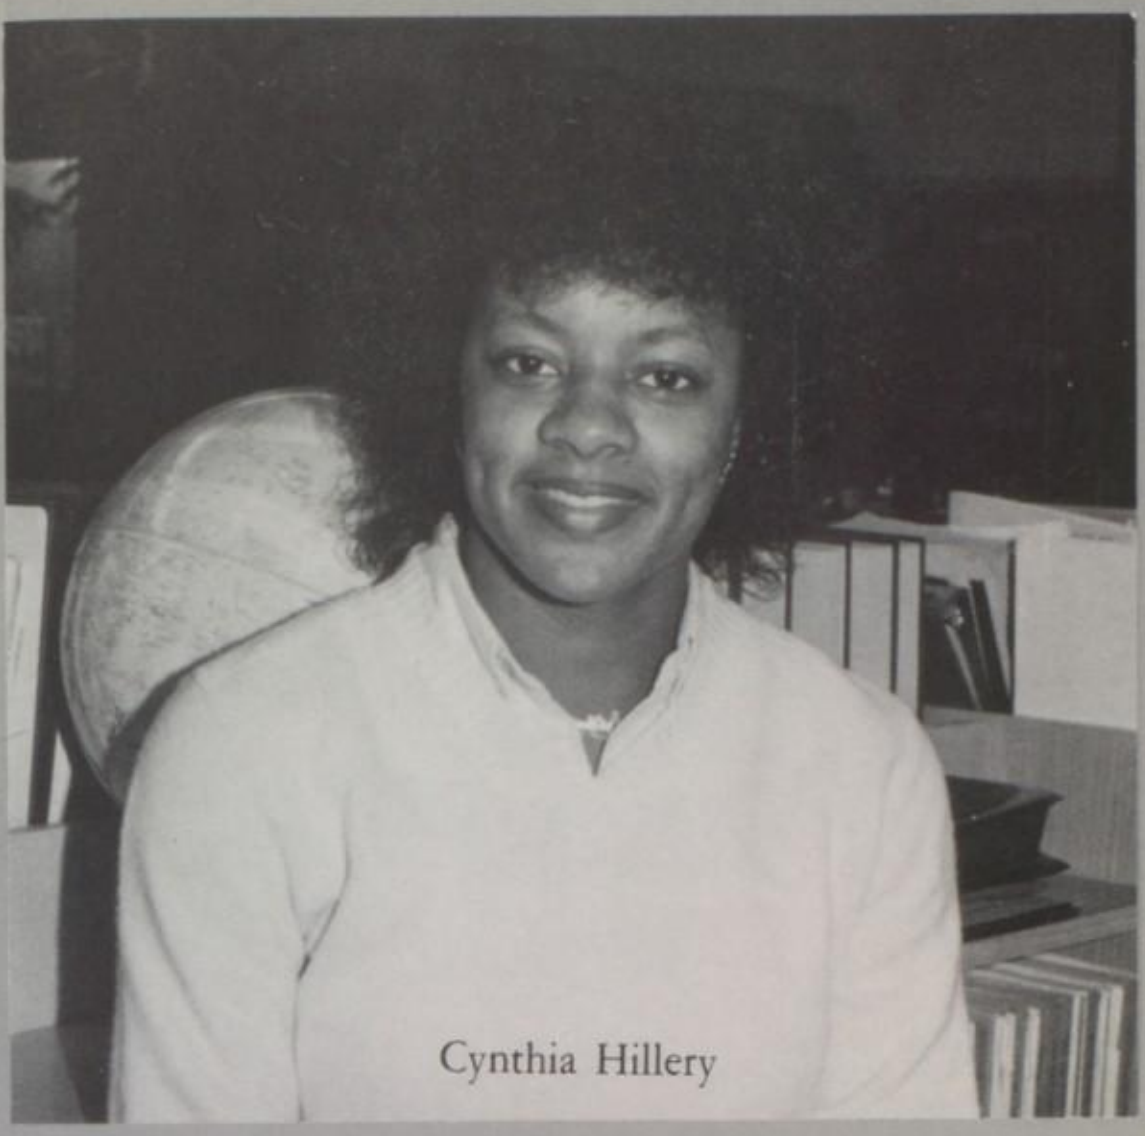
Erika Harris has set a great example for her underclassmen by being responsible and by showing good leadership. During her four years at B.H.S., Erika received many honors and awards. Among these were Who's Who Among Foreign Languages, Society of Distinguished American High School Students, Honor Roll, IFLA, NHS award, Latin Academic All American, Rotary Student of the Month, Who's Who, and the CUM LAUDE Latin award. Because of her exquisite taste in dressing, she was voted "Best Dressed" by her class. Erika expressed interest in clubs by being a member of the Latin Club, Math Club, FCA, FHA, Chorus for two years, Student Council, and the NHS Club. She is also a Senior Class Representative. For her future, she will pursue a career in the field of Computer Engineering or Engineering Tech by first attending Spellman College, then Georgia Tech.

Erika Harris

Ken Head was one of the most influential students at Brunswick High. Voted "Most Intelligent," Ken was President of National Honor Society. He was a member of Who's Who and the Society of Distinguished American High School Students. His many awards included International Foreign Language Award, Certificate of Merit, English achievement Award, and the Century III Leadership Award. He was chosen as an Exchange Club Student of the Month for September. The teams of which he was a member were Debate, Math, and the Academic Bowl. He was a Governor's Honors State Alternate in both math and Spanish and a Presbyterian College Junior Fellow. He was active in the Math and Spanish Clubs and also served as a Model U.N. Head Delegate. His writing talents were evident as he won First Place in the Fleet Reserve Essay Contest and Third Place in Boys Essay at Region Literary Events. Ken plans to attend either Virginia Polytechnic Institute or Georgia Tech and major in aeronautical or mechanical engineering.



Ken Head



Cynthia Hillery

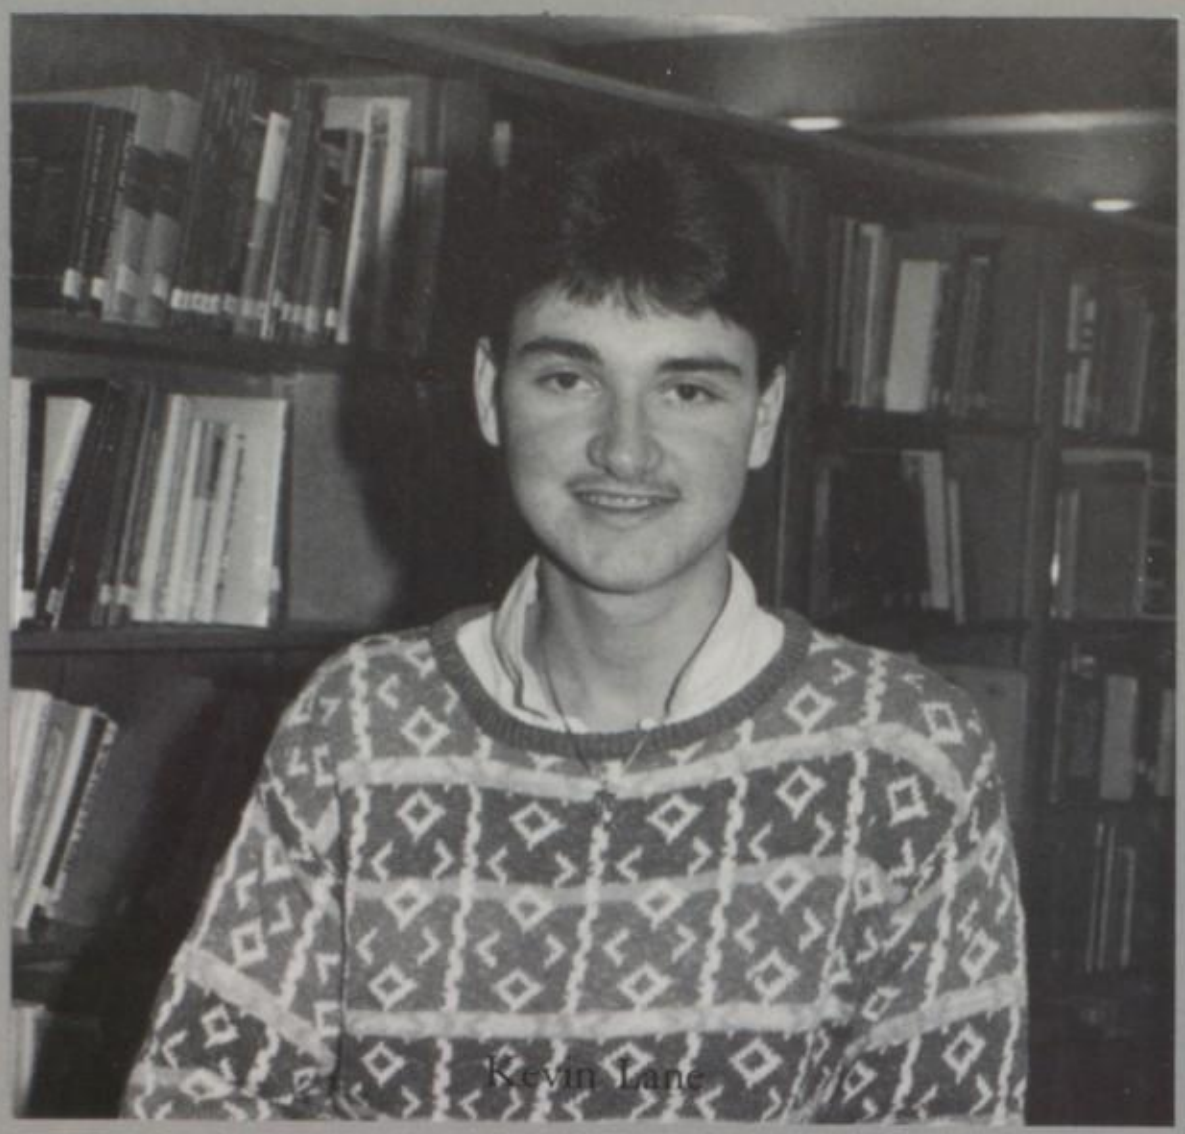
Cynthia Hillery, voted "Most Spirited," was a cheerleader all four of her years at Brunswick High. This peppy Senior was selected as Third Runner-up for Homecoming Queen. She shows off her singing abilities in Show Choir. She was a member of Who's Who and Society of Distinguished High School Students. Cynthia also received a United States Leadership Merit Award. She was a member of many clubs. Some of these clubs were Tyhembia, Jets, Booster and Explorer Club. Cynthia was a Senior Homeroom Representative. She plans to attend Albany State College with a major in Public Administration and a minor in business.

Seniors

Chris Jones

Chris Jones has been one of the most athletic Seniors at B.H.S. He has participated in both football and basketball, but will best be remembered for his outstanding plays in basketball. With this wonderful talent, he has helped to aid the Pirates in several victories this year. To show appreciation for a well done job, Chris received a trophy for being the best offensive player during his junior varsity year and one for best reserve player on the varsity team. Another special award was Outstanding Offensive Player on the 1984-85 Varsity team. He is not be mistaken as a student with only good physical abilities, for he has stressed an interest in clubs as well. Chris was a member of both FCA and Jets. His future plans are to attend college at Morehouse, Middle Georgia or Georgia Southern. However, he decides, he will major in the field of Drafting and whenever opportunity knocks, he hopes to play for a professional basketball team.

Kevin Lane was a true class leader. He served on Student Council and was Vice-President his Senior year. During his time on Student Council, he assisted with the Special Olympics. He showed his acting abilities by participating in the One-Act Play. He was also a member of the Tyhembia Club. Academically he was a member of Society of Distinguished High School Students and Who's Who. Kevin received the honor of obtaining a Georgia Certificate of Merit. He was also a Governors Honor Program Nominee his sophomore year. Because of his trendy wardrobe, he was named "Best Dressed" by the Senior class. Kevin has already been accepted to the Atlanta Art Institute of Fashion and Design where he will start his attendance in September. He hopes to become a fashion buyer for a major department store.



Kevin Lane

Outstanding

Jennifer Lanier was a most active member of her class. She showed her spirit by being a member of the Pep Club and a cheerleader for two years. In her sophomore year she received the Departmental Award for Social Studies. She was included in Society of Distinguished High School Students and Who's Who. Jennifer was also chosen as an Exchange Club Student of the Month. She received a President's Leadership Award. Clubs of which she was a member included Spanish Club, FBLA, and VOT. She represented her class by being a Junior Class Representative and Senior Class Treasurer. She plans to attend B.J.C. or Mercer and pursue a major in business management or criminal justice.

Jennifer Lanier

Cathy Martin

Cathy Martin was very active in publications at Brunswick High. She was a member of Rising Surf her Junior year and served as editor-in-chief and graphics editor in her Senior year. Her academic excellence was obvious in her inclusion in Society of Distinguished American High School Students and her being Vice-President of National Honor Society. She received a United States National Leadership Award, and Achievement Academy Award and the National History and Government Award. Cathy was also recognized as Vocational Student of the Month. She was Secretary of the Math Club her sophomore year. She was also a member of the Spanish Club and VICA. Cathy plans to attend B.J.C. and work on SEASWELLS, their literary magazine. She will then transfer to Georgia Southern and major in business or printing management.

Seniors

Shawn Mignogna

Shawn Mignogna was definitely an outstanding Senior. Voted "Best All Around," she was a member of Who's Who in Foreign Language and Society of Distinguished High School Students. She received the University of Georgia Certificate of Merit and was a National Leadership Merit award recipient. She was a member of the Honor Society and was a Governor's Honors Nominee. In her Senior year, her fellow classmates elected her as their Homecoming Queen. Shawn also held the office of Senior Class Vice-President. The clubs she was involved in included Latin, Science, Math, Spanish, Racquet and Pep Club. Shawn plans to attend Valdosta State College and then the Medical College of Georgia and major in medicine.

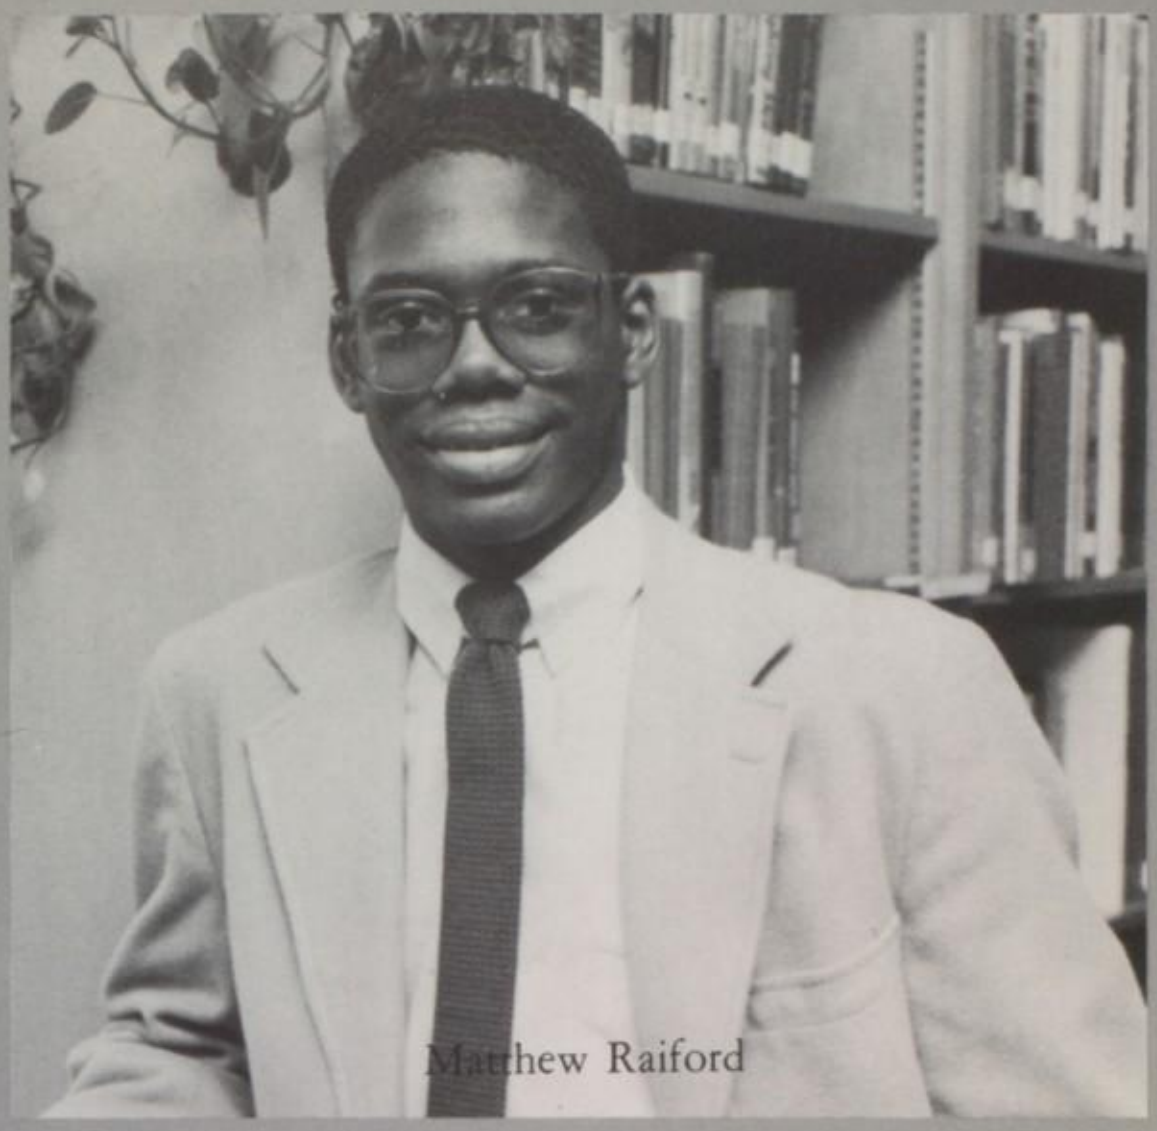
Rosalie Pacheco has been highly recognized for the active role she displayed in leadership at BHS. Because of excellence in leadership, Rosalie was presented the following honors and awards: Ga. Certificate of Merit, Who's Who, the Presbyterian College Junior Fellow Award, Honor Roll and the N.H.S. award. She was chosen by the Rotary Club for Student of the Month. Because of her ingenuity, the Senior Class voted Rosalie as "Most Intelligent." She devoted much of her time to a variety of clubs not only as a member, but also as an officer. Rosalie was a member of the Math Club, Math Team, Student Council, Rising Surf, FBLA, Principal's Committee, NHS, and ICC. She was also a member of the Racquet Club and Secretary for her Freshman Class. After high school, Rosalie plans to further her education and studies at Furman University of South Carolina, with a major in Business Information Systems.

Rosalie Pacheco

Outstanding

Sharell Perry, voted "Most Athletic" by the Senior Class will surely be remembered for his excellent athletic skills. He has been successfully involved in both football and basketball, but he seems to favor football more. Proving this to be true, Sharell, during his four years at BHS, has received eight Player of the Week plaques, six Offensive Player of the Week plaques, two Defensive Player of the Week plaques and one Unsung Hero award, but that's not all. Sharell was voted "Most Valuable Offensive Back" and "Most Valuable Player" for the 1984-85 season. He was also recognized as one of the Coastal Empire Top 25 College Prospects. Although having many days of practice for football, Sharell did find time for clubs, like F.C.A. His future plans are to attend college at Valdosta State and major in Business Administration or pursue a field in Computer Technology.

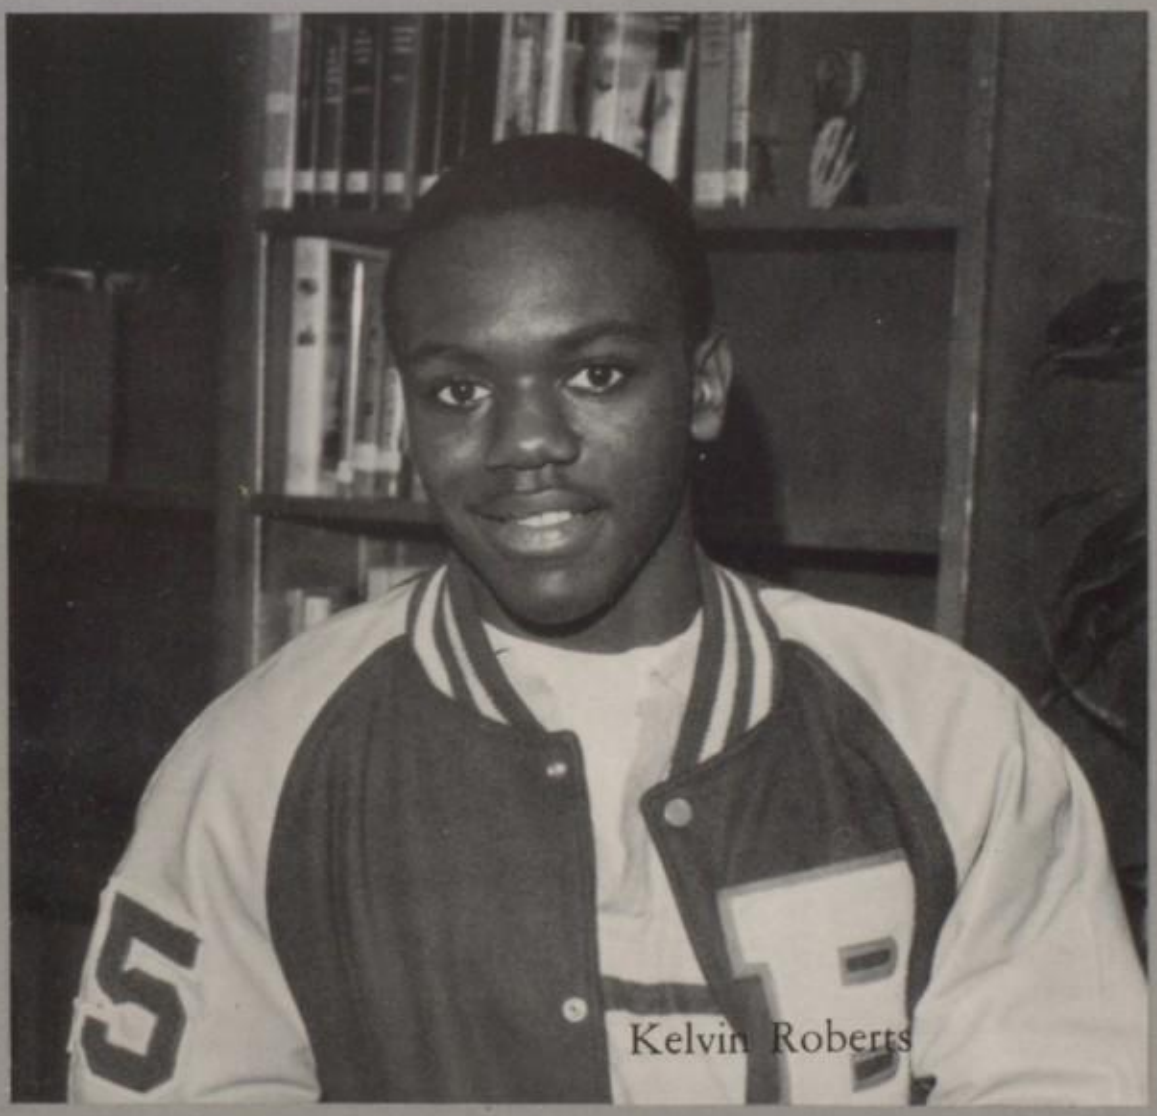
Sharell Perry



Matthew Raiford

Matthew Raiford won several awards during his years at B.H.S. He participated in the Optimist Club Oratorical Contest in tenth grade. He then went on to win first place in boys oral interpretation at the region literary events. He received a National History and Government Award. Matthew was involved in several clubs. His freshman year he represented his homeroom on the Principal's Committee. He represented his classmates by being a Freshman, Sophomore and Junior representative. He showed his interest in computers by joining the computer club and participating in Data Processing Work Study. He was also a member of the Future Business Leaders of America. Matthew plans to attend Jones College and major in computer programming and minor in accounting and business management.

Seniors

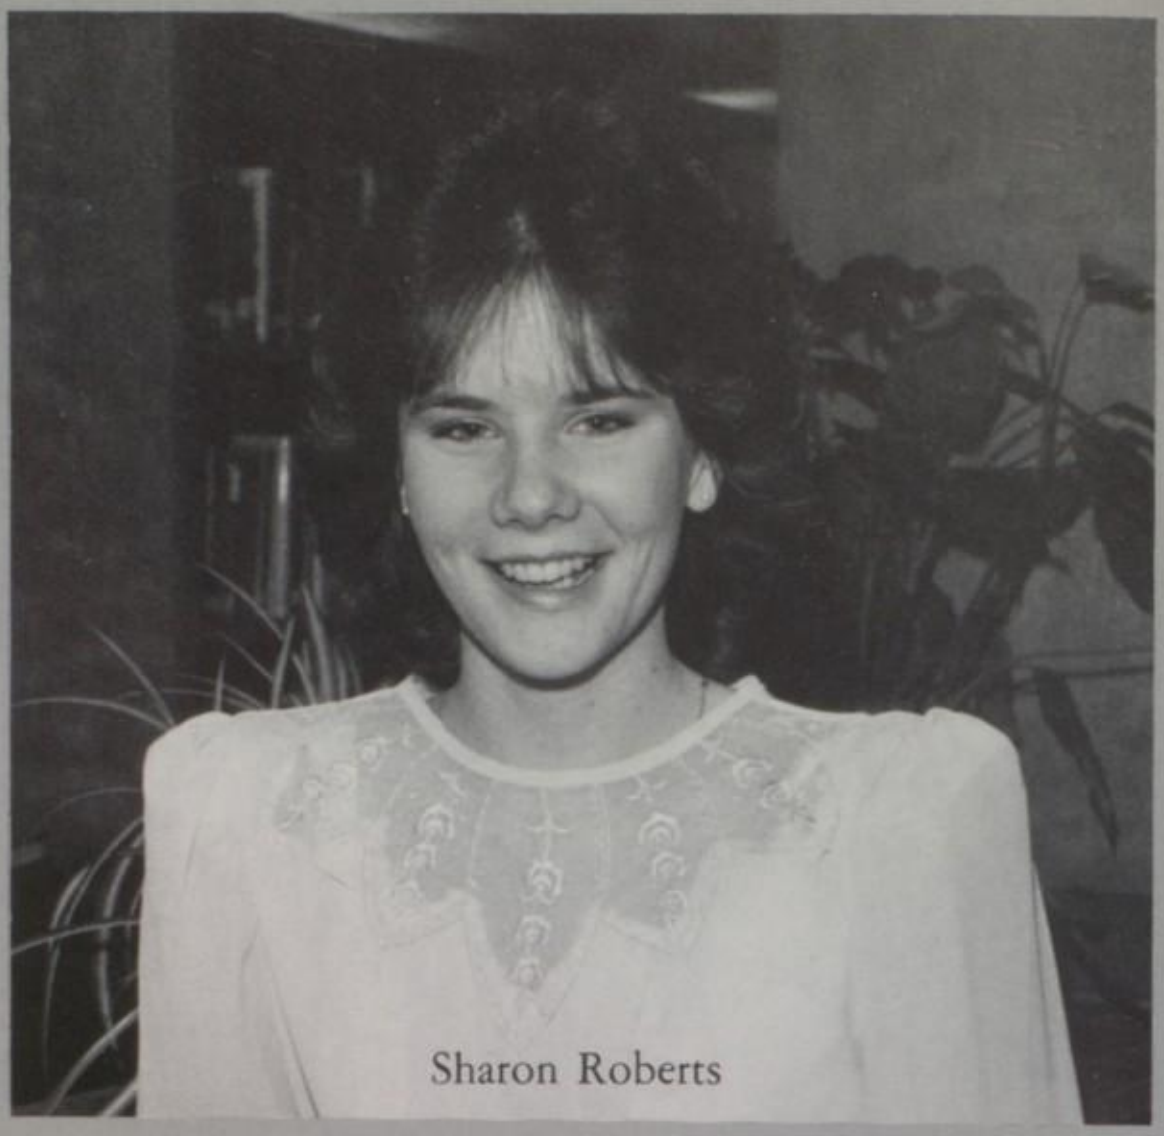


Kelvin Roberts

Kelvin Roberts was a true "best all around" Senior. His academic excellence was most prevalent in his being included in Who's Who and SDAHSS. His involvement led to his being included in the National Honor Society and placement on the honor roll. Kelvin received a Georgia Certificate of Merit and was a Governor's Honors nominee in Spanish. This Spanish earned him an International Foreign Language Award. He received the honor of being chosen as a Commended Student for the National Achievement Scholarship Award for Outstanding Negro Students. Because of his interest in football, he acquired the Bud Couch Scholarship Award in that sport. He was selected as an Exchange Club Student of the Month. He was a nominee for the Hugh O'Brian Foundation and Atlanta Journal Constitution Scholarship. Kelvin's activities also went beyond the classroom. He was a member of the Jets Club and Academic Bowl Team. He also served as basketball statistician. Kelvin plans to attend Georgia Tech and pursue a career as a civil or textile engineer.

Outstanding

Sharon Roberts has been a very conspicuous student at BHS. In her ninth grade years, she was a member of ISS. Sharon placed first with an eminent project on Economics. Beyond that, she has been a Governor's Honors nominee, selected as a Who's Who member for two years and received the International Foreign Language Award for her excellence. Sharon received the Society of Distinguished High School Students honor, maintained an A-B average for Honor Roll and was in the Top 10 on the Homecoming Court. She was a member of the Spanish Club as treasurer, NHS as secretary, FBLA and a Model UN delegate. Her future plans are to attend college at BJC, then transfer to the University of Ga. and major in Business Administration or Computer Science.



Sharon Roberts

Kim Rocha is one who qualifies well in showing good leadership. During her years at B.H.S., Kim has been a recipient of several awards and honors. These include first place winner in the Independent Social Science Fair in the ninth grade, second place winner in the Optimist Club Contest, Who's Who for two years, a nominee for Governor's Honors, and a Honor Roll student. While in her senior year Kim has placed as one of the Top 10 Homecoming Court Contestants and was selected as an alternate for the essay competition in the 1985 Literary Events. She has been a participant in various clubs such as the Drama Club, Model UN, Annual Staff (Copy Editor), Rising Surf and the Principal's Committee. Her future plans are to attend the Brunswick Junior College for two years, then transfer to Georgia Southern and major in the field of Broadcasting.

Kim Rocha

Valerie Ryals

Valerie Ryals has led a very active role at B.H.S. As a Senior, she has received several honors and awards for her good leadership. These include DAR Good Citizenship Award, USNLMA (United States National Leadership Merit Award), and the Letterman Award for going to state in the girls track. Valerie was also voted "Most Athletic" by the Senior class and was Second Runner-up on the Homecoming Court. She was a member of both Jets, and Tyhembia. Valerie has great admiration for sports, therefore, she held membership on the Girls J.V. Basketball, Girls Varsity Basketball and Girls Track Team. Her future plans are to attend college at Georgia Southern for two or four years and major in Accounting.

Seniors

Sharen White

Sharen White was a most outgoing member of the Senior class. This was most evident in her being elected "Most Likely to Succeed." She was a member of Who's Who and the Society of Distinguished American High School Students. Her academic excellence was probably most notable by her inclusion in the National Honor Society and Honor Roll. Sharen was a recipient of International Foreign Language Award and won Third Place in a 1984 Poetry Contest. Sharen was a member of the Spanish Club and a devoted member of Annual Staff. The senior class also honored Sharen by electing her Public Works Chairman as part of Youth in Government Day. Sharen plans to attend B.J.C. for two years and will go into a field of engineering or business.

Juniors have enjoyed this past year, which brought lots of memories and good times, but hard work was also accomplished during these times. They are anxiously awaiting next year because they will finally be Seniors.

If Sophomores are known for their wisdom, then their knowledge is truly put to the test in their second year of high school. The Basic Skills Test, Consumer/Producer Test, Citizenship Test—the list seems endless. But there is still time for the fun things: lunch, football games, dances, parties. These are activities that sophomores like better. This year's class is best known for its spirit.

FRESHMEN

The Freshman year is one of mixed emotions. On one hand there is the loneliness and frustration of being the newest member on the team and constantly getting lost. Yet at the same time there is the excitement of high school—pep rallies, homecoming, dances—and anticipation of new friendships and new experiences. Usually before Christmas the Freshman begins to know his way around, has made lasting friendships, and feels like a true BHS Pirate.

Advocates

Early in the summer, members of the CUTLASS Staff hit the streets in search of potential ad purchasers. The money paid for these ads helps pay for the costs of producing a yearbook. The students at Brunswick High also help by buying homeroom and club ads. Several parents and businesses are patrons. The money so graciously donated by these merchants, students, and parents does not go unappreciated, as this section is our way of saying "thanks" for their support.

The Final Touch

The 1984-85 school year will be one long remembered. Many events filled our days—both sorrowful and joyous. We have used these experiences to help us grow. The friendships we have made have given us wonderful and lasting memories. Not only have we learned skills that will help us in our careers but we have discovered how to be our best at what we do. A school year is an excellent time to make friendships and expand knowledge. This yearbook serves as a memory-preserver for everything the Pirates have done because they are all worth remembering.

Terri Cox—Miss BHS

Every year, BHS sponsors a pageant. It involves young ladies from the ninth through the twelfth grades. By participating, they receive recognition and maybe a position as winner or runner-up. For the 1985 Miss BHS Pageant the following were among the ones chosen: Seniors—Terri Cox, Miss BHS; Evie Anderson, first runner-up; Lynn Parish, Second runner-up; Juniors—Tawana Perry, Junior Sweetheart; Angie Smith, first runner-up; Lynn Strickland and Samantha Green tied for second runner-up; Sophomores—Tracie Abbot, Sophomore Sweetheart; Julie Kicklighter, first runner-up; Kim Hurst, second runner-up; Freshmen—Tracy Tiberia, Freshmen Sweetheart; Kamy Reece, first runner-up; Carla Butler, second runner-up. The judging was based upon poise and appearance which these twelve certainly possessed.

It's not just a job; it's an adventure.

This summer became a reality for six BHS students as they broadened their horizons by journeying to Europe. They visited various places such as Paris, France; Venice, Italy; Lucerne, Switzerland; Heidelberg, Germany; Amsterdam, Holland; London, England; to name a few. The group was headed by Craig Brosius and the others were Janna Jones, Lisa Stopchuck, Scott Manning, Patti Koenig, Smitty Smith and Sharon Carter.

Another very important event was Career Day. Various people from all walks of life congregated in the gymnasium to present students with information concerning numerous careers. Career Day has great significance in that it has helped many a student make the final decision as to what his occupation will be. They receive guidance from these individuals and also a better insight of their perspective career choice.

An honor that shoud be recognized is the Academic Team. Its members are Kelvin Roberts, Robert Silva, Jeff Wilkerson, Chris Gray, Ken Head, Billy Sonnenthal, Rod Teasley, Glenn Fletcher, Chris Moreira, Calvin Morgan, Janna Jones, Paul Rowell, Dawn Price and Cathy Edler.

The 1984-85 school year highlighted by winning the School of Excellence Award . . . A year of making new friends and increasing our knowledge . . . A year we sailed toward excellence . . . A year to remember.

In Memoriam
Christopher Ray Spivey

As the 1984-85 school year comes to a close, so does my year as annual editor. Looking back I can see that half the fun of creating a yearbook is knowing that the collection of pictures and memories can be remembered and cherished. Before the yearbook officially closes, there are several people whom I would like to thank for their dedication and support. Sandy Burnem, Co-Editor, for her encouragement and help; Dina Hale, Business Manager, who did a marvelous job of handling the yearbook finances; Kim Rocha, Copy Editor, who did an excellent job of writing the descriptive copy. Last, but by far not the least, I would like to thank Mrs. Yvonne Parks. During her last year as annual advisor, she has displayed an infinite amount of patience and understanding. She will be sorely missed. The rest of the Cutlass staff should be commended for their outstanding efforts at producting Cutlass '85.
